MAKING TRAX IN ACADEMICS

Readin', writin', and arithmetic is what school is all about. True as that may be, school is also for working to improve one's mind and to achieve one's goals in life.

Besides the basics, Warren has a variety of enrichment courses. With all the advantages offered, many find meaningful skills classes to attend.

Friendships are as important to school as all the other things. Some good friends for '85 **(BOTTOM)** are Barb Johnson and Heidi Newman.

MAKING TRAX IN SPORTS

Rah! Rah! Rah! There's nothing like good competition to get school spirit flying high. Warren offers a very outstanding sports program to its students. The girls' sports list includes volleyball, softball, track, cross country, and basketball. Each year sees more and more girls coming out for the varsity teams. Sports aren't just for guys anymore!

The boys' list of sports includes football, basketball, baseball, track, and cross country. The Warren guys always make their school proud! The minute a player dons a Warren uniform, winning becomes uppermost in his mind.

So whether you're a participant or a spectator, Warren has something for you.

MAKING TRAX IN FRIENDSHIP

Friends. What would we do without them? They listen to our problems, give us advice, help us through rough times, share in our deepest, darkest secrets and **still** love us. A friend is someone we do things with which includes cruising, seeing a movie, going shopping, or just sitting around somewhere talking. That is the true essence of friendship. No matter what you're doing, no matter how trivial it may seem at the moment, it's being done with a friend and that makes it something special. We hope we have captured some of these special friendships in the following pages.

Guys enjoy special friendships too. (ABOVE RIGHT) Juniors Brian Rauch and Brian Barrett take a break from a rough day.

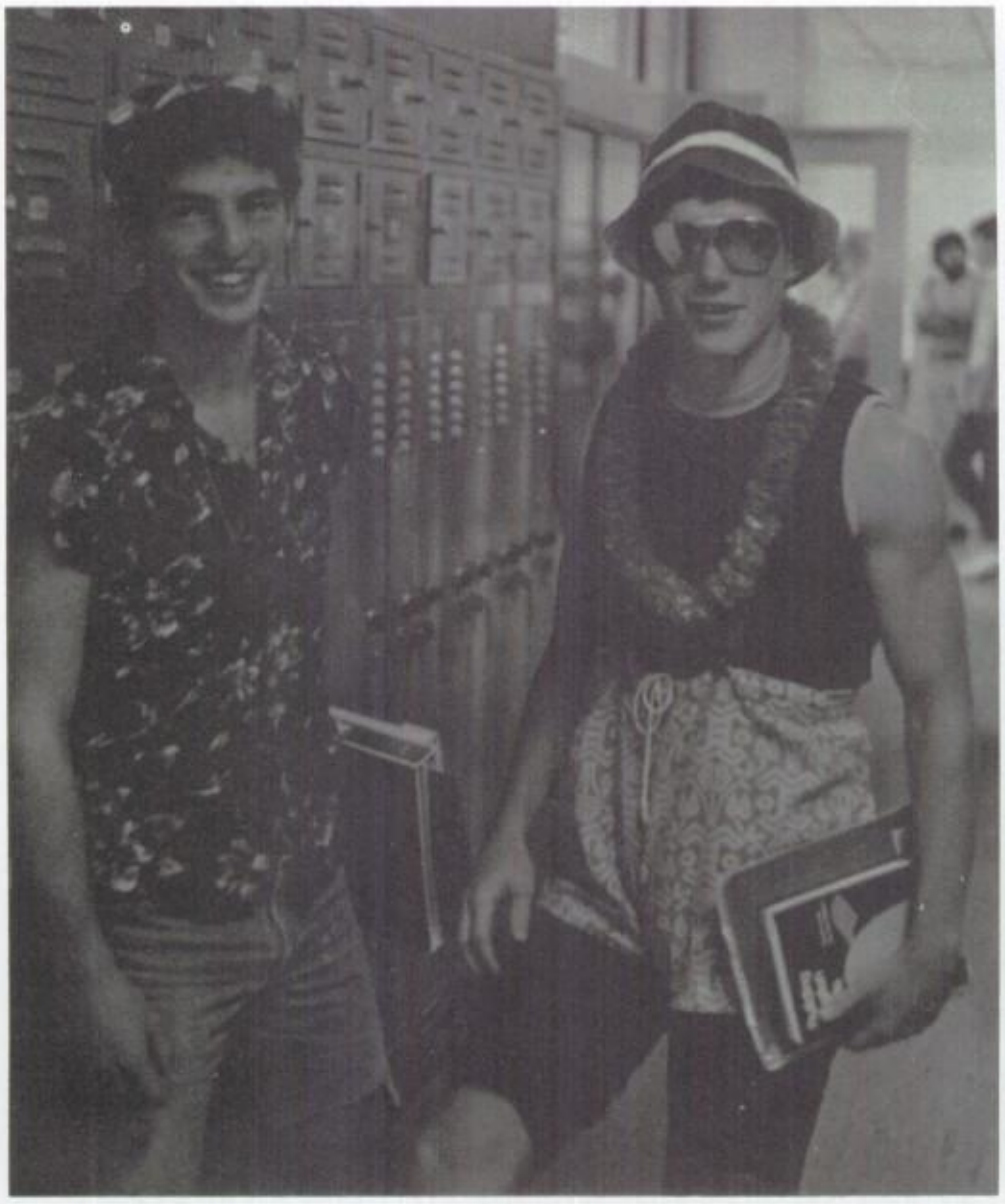
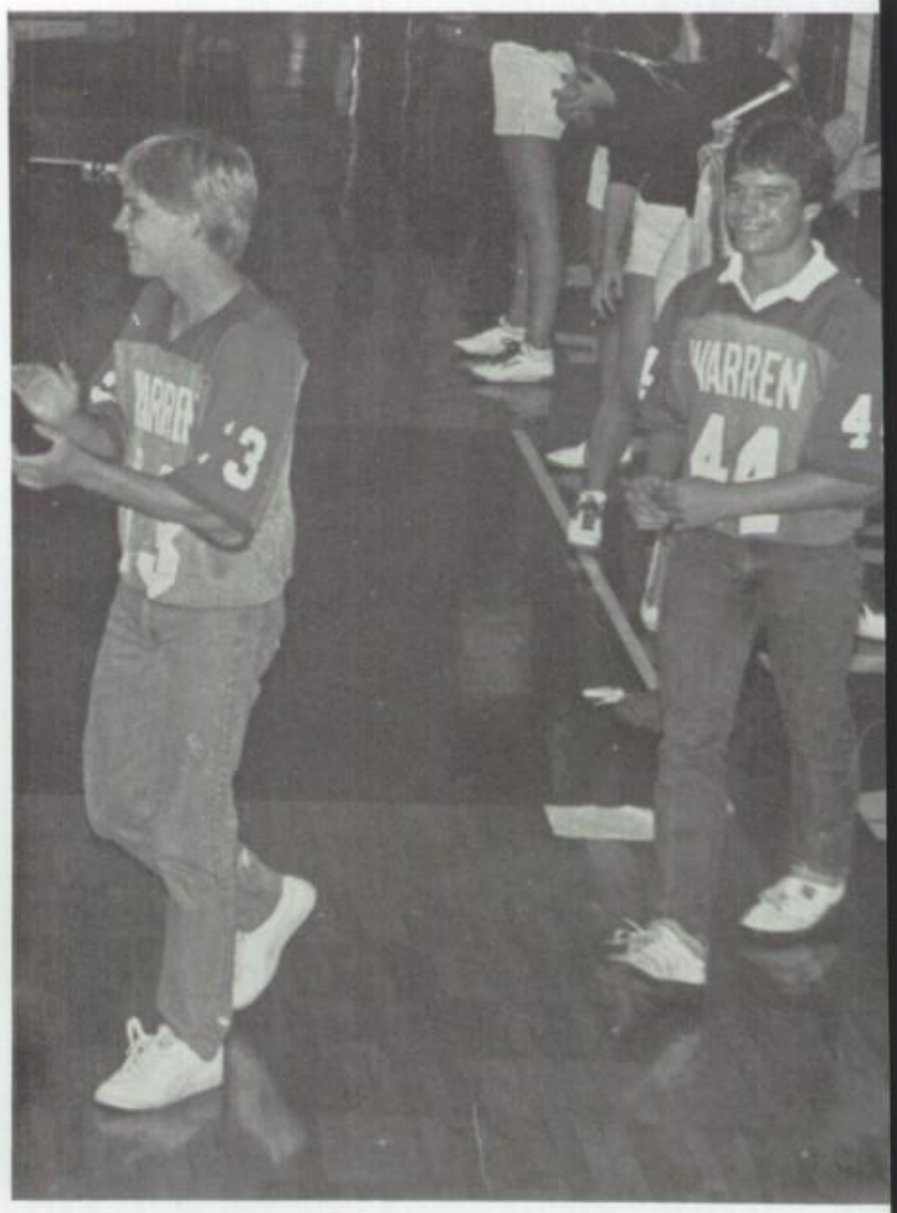
WARRIOR SPIR
CONTAGIOU

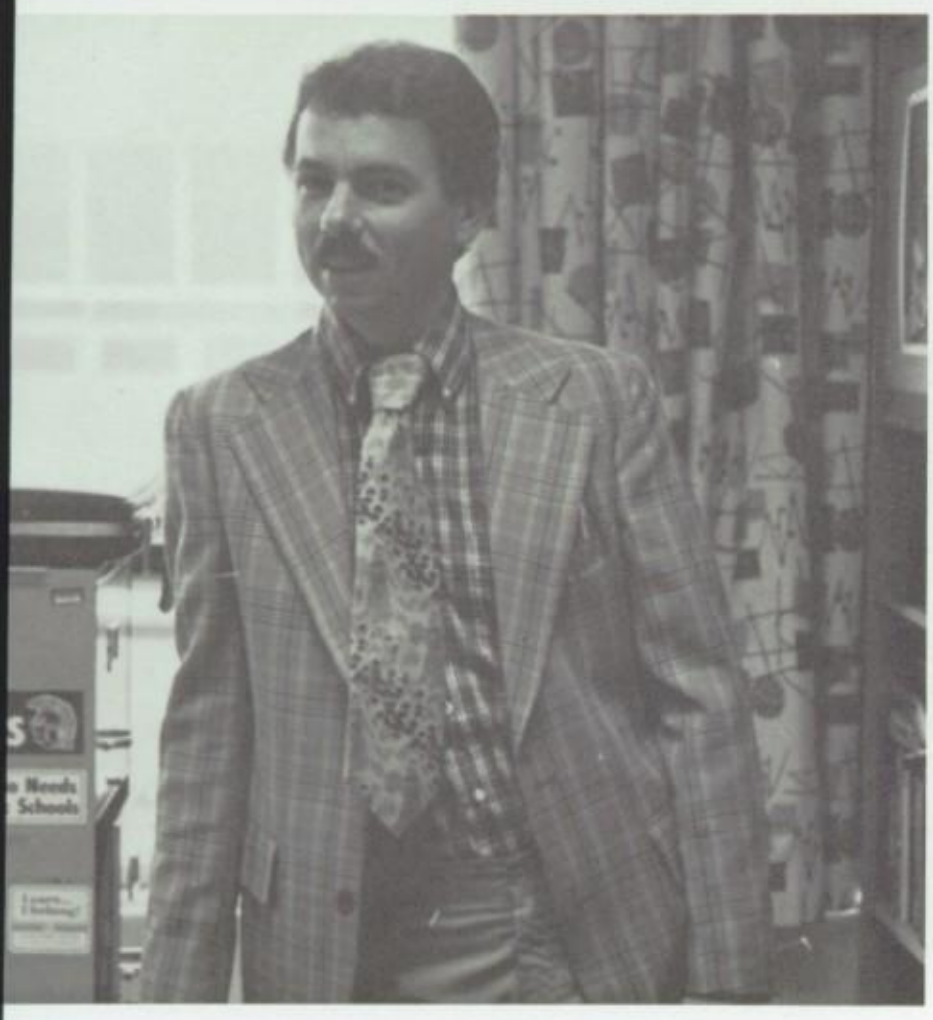
This year's homecoming week was the best ever. The week started with the traditional spirit days which included Monday's Beach Bum Day, Tuesday's Nerd Day, Wednesday's Hat, Sunglasses, and Bandana Day, Thursday's Hair and T-Shirt Day, and the week finished off with Friday's Twin Day. Many of the students dressed up to support their team and show their spirit.

The students also showed their spirit in the hall decorating contest. The contest was won by the sophomores with their "Almost 101 Ways to Kill a Cat." Freshman gave it their first try, but they didn't have a lot of luck. Juniors made the scene with "At the Movies" and Seniors defended our halls with the "Hall of Justice." The student body also celebrated spirit week with a pep rally. When you walked into the gym you could feel the excitement building up within the walls. Everyone was ready for the game and they sure showed it.

Something new was also added to homecoming week — a powder puff football game. The game was between the Senior girls and the Junior girls. The game ended with a narrow victory by the Seniors.







Signing tee shirts on Thursday (TOP LEFT OPPOSITE PAGE), was one of many spirit activities. Matt Morris waits his turn to sign Jay Greene's shirt after Terri Lang.

JENNY'S MAGIC MOMEN

This year's Homecoming experienced many c new twist. The smiling queen candidates and the attendants sat atop the convertibles, waving as the procession went by on the track. The queen candidates were as follows: Sonja Brandeberry, escorted by Doug Hesson, Jenny Daggett, escorted by Jim Ingram, Mikki Miller, escorted by David Mitchem, Stephanie Runyon, escorted by Andrew Gentile, and Stacey Vore, escorted by Dan Ullman. Their names were announced by Master of Ceremonies, Erica Gessel.

Preceding the queen candidates onto the field were the attendants. Each attendant and escort was met half way by the attendant's father. The first attendant to be announced was Freshman attendant Ricci Adelsperger and her escort Chris Guinther. Next came the Sophomore attendant Kelly Burnfield and her escort Chad Plummer. Then came the Junior attendant Tami Gribble with her escort Mark Miller.

The time had come to unveil the identity of the '84 Homecoming Queen. Cheers and applause rang out as Jenny Daggett's name was announced. Former Queen, Stephanie Benedict, crowned Jenny. She also received flowers and gifts from Mr. Young. Every candidate and attendant was presented with an engraved necklace.

Spirit Week encouraged the Warriors to endure in their game that ended in an upset of 27 to 10. A funfilled, exciting week ended with the dance Saturday evening. Crisco's Disco helped to produce an *Aura of Mistical Magic,* as it was the theme of the dance.

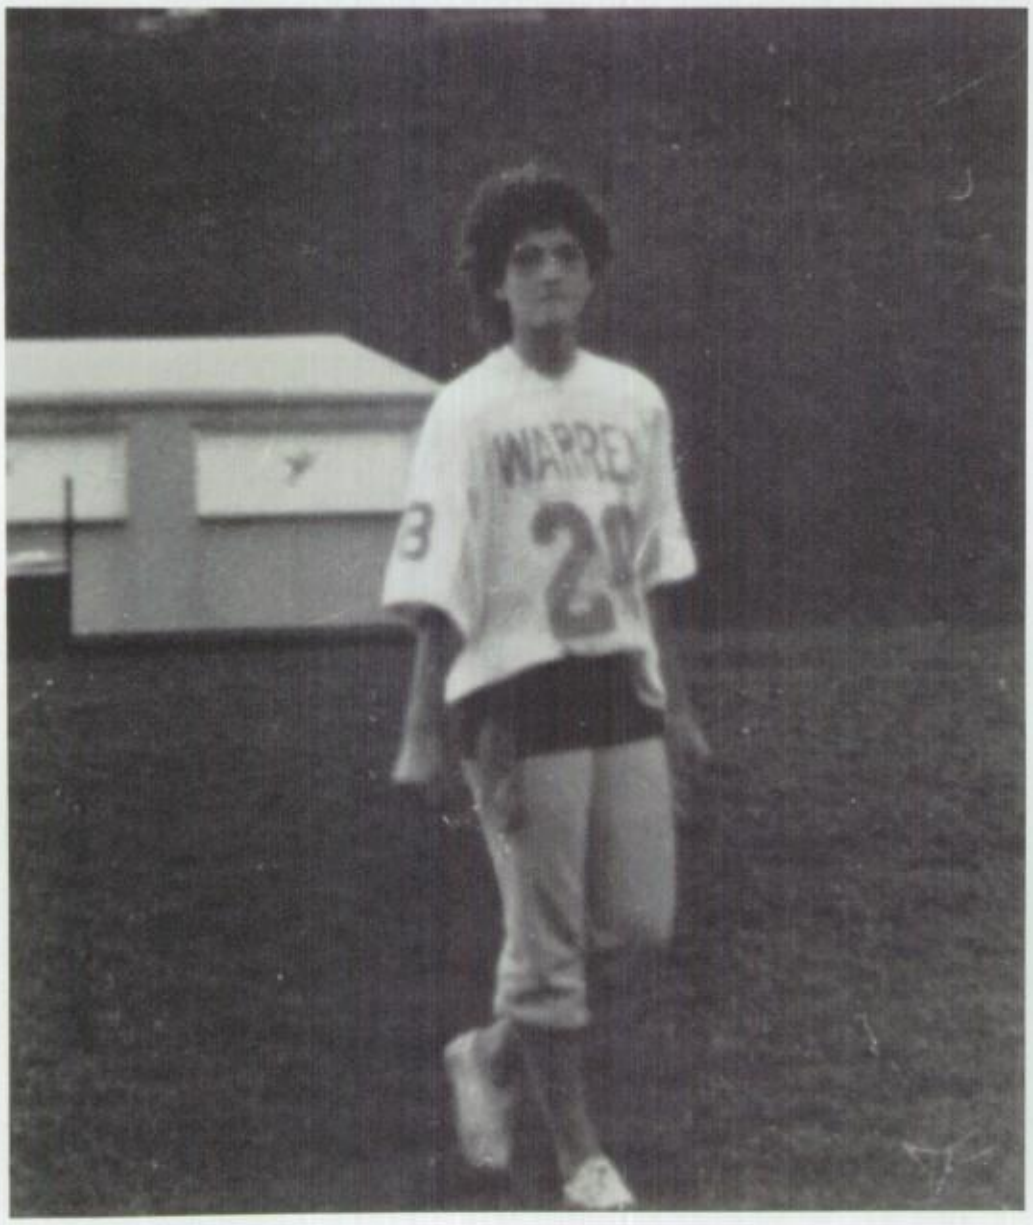
YOU'VE COME A



The Powder Puff football game played on October 17 proved to be a real crowd thriller. The Varsity Club sponsored the event which occurred during Homecoming Spirit Week. The Senior girls in blue jerseys played the Junior girls in white. Each team had several practices before the game on Wednesday evening. The Seniors, coached by Brian Benson, won the game by a score of 8 to 6, but the Juniors, coached by Andy Gentile, gave it their best shot. Scoring for the juniors was Jeanine Williams. Pregame activities included each team running through signs and cheers from football players dressed as cheerleaders.

CHRISTMAS

The Drama Club was busy entertaining the student body during the '84 Christmas season. The Christmas production was presented to the students on the twentieth of December during sixth period. After tryouts for speaking parts, there were two weeks of preparation. The play director, Greta Long, admitted, "At first no one liked the play, but Mrs. Cowdery's creativity turned it into something special."

Actually, the production involved more than just a play. The first act was a skit entitled "Bible Quotations." The A Capella sang Jingle Bells next. The third act was very unique to WHS students. The traditional Christmas Ballet "Nutcracker Suite" by Tchaikovsky was performed by Julie Smith. She danced the part of "The Sugar Plum Fairy."

After all the seriousness and beauty, it was time for a little comedy. It came in the form of the WHS Elves. They were regular Santa's helpers all decked out in Tom Cruz glasses, and they did some breakin' across the stage. Adding to the production came the handbell choir ringing a selection entitled "Sleigh Ride." The production also included a play called "The Night Before Christmas." This play was spruced up with the antics of Andy Gentile and Matt Morris. Rounding off the show, the Jazz Band played a little Christmas music to entertain us.

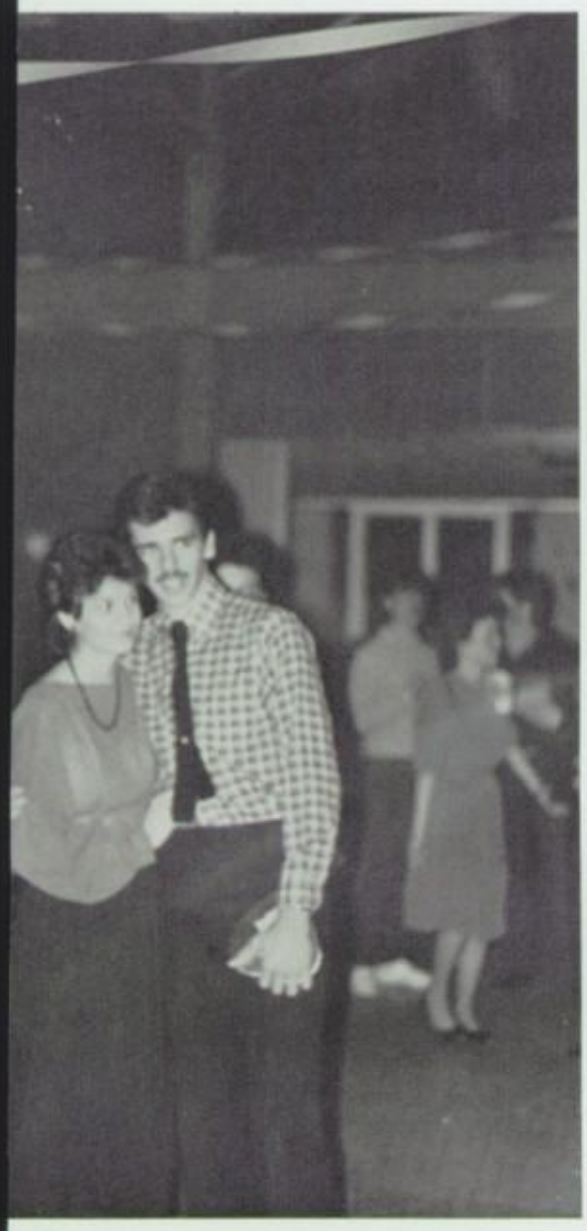
PUT ON YOUR HEART LIGH

The Valentine's Dance that was sponsored by t National Honor Society experienced a fe changes in 1985. The dance was held on Febr ary ninth from eight to eleven in the cafeteria.

In past years, the Drama Club used the dance as th money making event. However, the sweethea dance was a big success for National Honor Socie They supplied the refreshments, and decorated t cafeteria with hearts. Omega Sounds not only provid the tunes and lights, but a dance floor as well.

Voting for the King of Hearts was much the same the election of Homecoming attendants. The Freshm candidate was Kirk Bryan, and Chad Plummer was t Sophomore candidate for king.

Kenna Short had been King of Hearts for the last thre years. He gave up the crown to Senior Chris Kern t year. Chris chose Jenny Daggett to be his partner in spotlight dance. Then everyone joined in the fun make it a night even Cupid would remember.



Dancing is the name of the game and Steph Runyon, Phil Logue, Bridgette Tanthorey, and Jamie Fletcher **(OPPOSITE PAGE TOP)** are having a great time.

This years Junior class play "Dance your Heart Out" was a success under the direction of Mr. James Williams. The play was about high school students doing something for their community by putting on a dance-a-thon to raise $28,000 for a new mobile intensive care unit. Students such as Bobby *(Chris Neptune)*, Betty *(Beth Evans)*, Jill *(Greta Long)*, and Jean *(Shannon Cutshaw)* put all the details together while others like Nick Jones *(Todd Sarver)* did their best to tear things apart.

Bert Hubbard, *(Dale Witte)* of school security was trying to keep things under control while last minute arrangements were being made by Mrs. Turner *(Teresa Huck)*, school principal and local D.J., Leslie *(Leasa Brant)* for a successful dance-a-thon and talent contest.

Some Samuel Clemens students like Trudy *(Tami Gribble)* and Tilda *(Robin Dexter)* showed their talent with lip synching. Others entertained with the real thing. Gina Marie Hoyt sang "Break Dancing", Jamie Fletcher and Wayne Cornell sang "House of the Rising Sun." There was also a comedy act performed by Herkel *(Bill Reid)*.

The junior class production was presented for the students Thursday, Marcy 14 during school and March 15 at 8:15 for the public.

SENIORS SING

"WE ARE THE WORLD"

"That's Entertainment," the 1985 chorus revue, earned great applause. Held on April 12 and 13, the show was the result of many rehearsal hours. The annual show featured many solos and performances by the entire chorus. As well as those pictured here, performers included Valerie Reusser with a dance solo and Greta Long who accompanied the handbells as a saber twirler in "Saber Dance."

Master of Ceremonies for the evening was Scott Wilson **(TOP LE** who also sang "Truly".

Almost Paradise was the theme of the 1985 Junior-Senior Prom. The evening of May 4th got off to a perfect start with a warm night and the theme song performed by the band "Stranger" from Wheeling, West Virginia.

The decorations filled the air with a sense of paradise. The silver stars brightened the gymnasium while the blue and silver balloons gave the room a happy feeling.

Later that evening Jenny Daggett and John Fryman shared in a dance after the Junior class crowned them King and Queen. The evening eventually had to come to an end but all the moments and memories will be cherished forever by all who attended this lovely occasion.

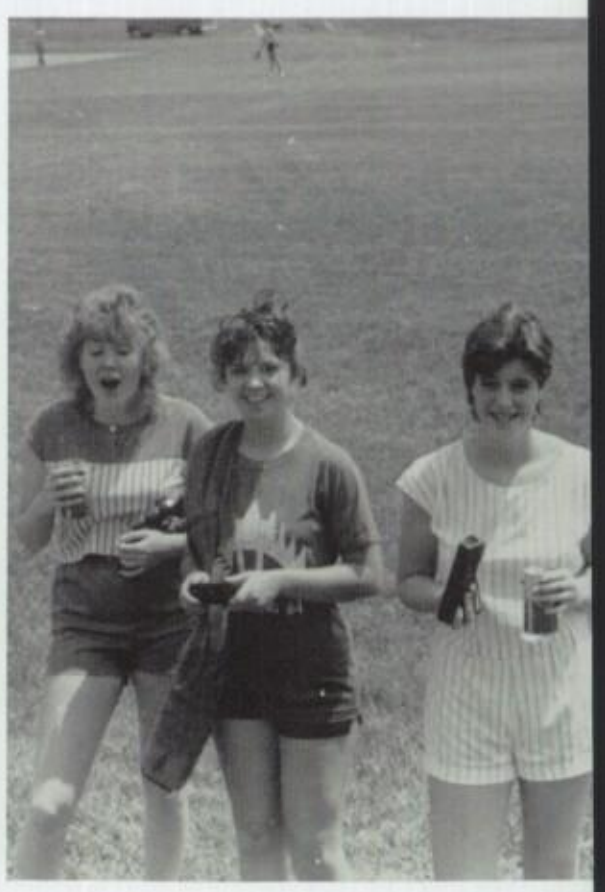
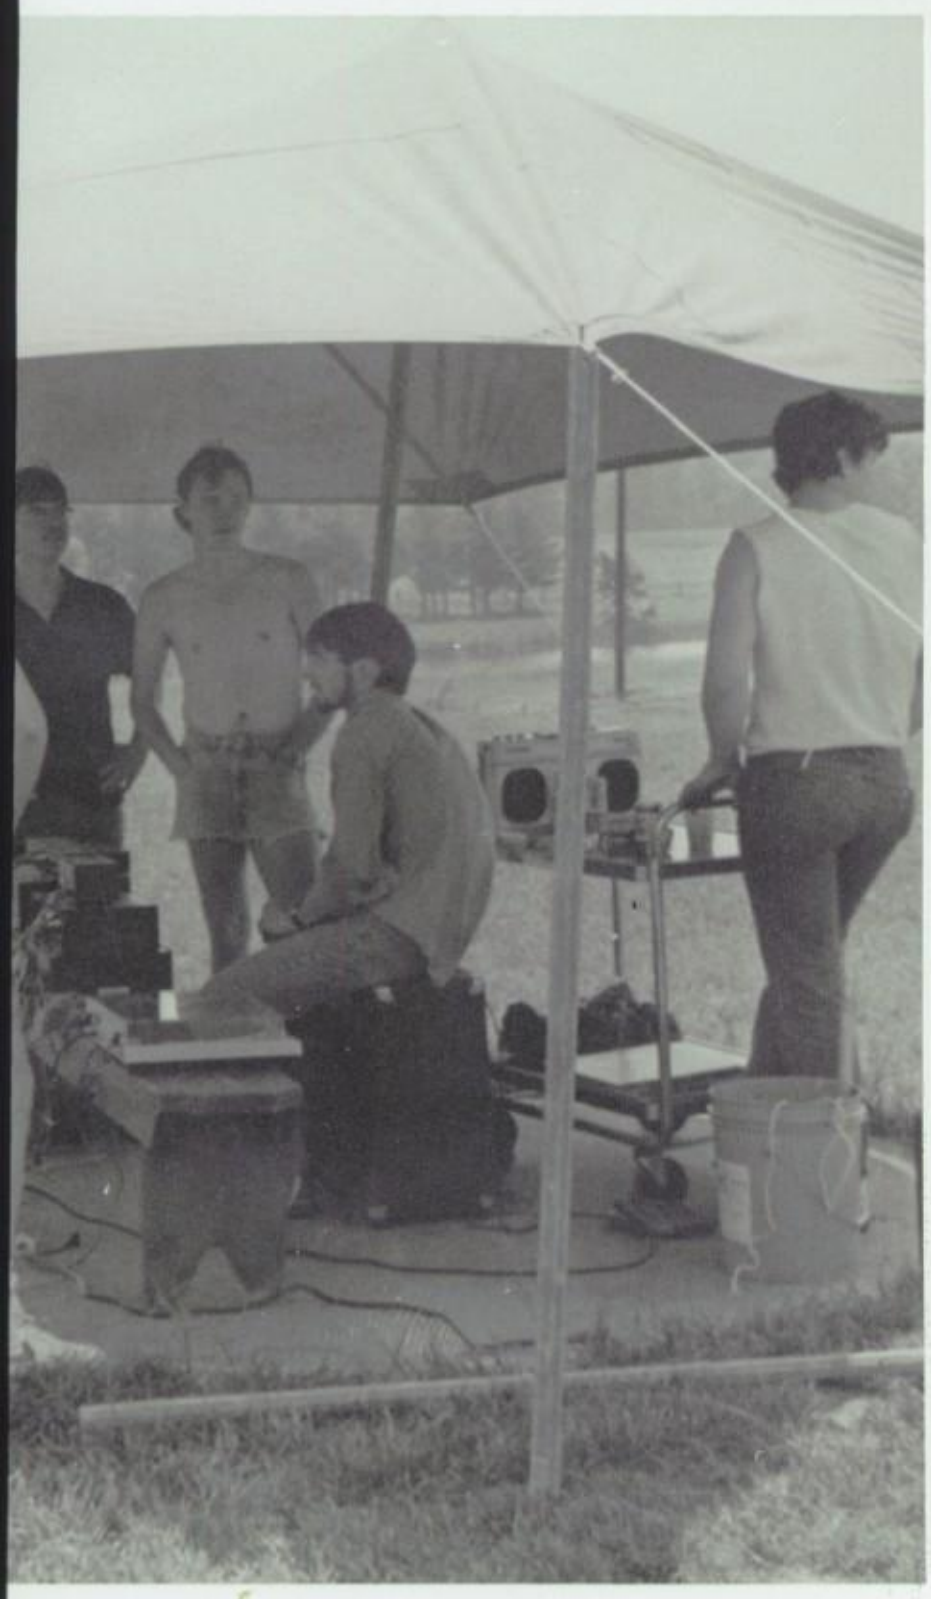
SENIOR FUN DAY





The Senior Picnic was a chance for the class of '85 to let loose and have fun. Some Seniors had been planning it for four years. Soon after the awards assembly, events were well under way.

In the spirit of tradition, cars were decorated and lined up for a little parade. As usual, water was the main topic of the day, with everyone soaked by buckets of pond water. A new idea, a pavillion, was set up to provide shade, music, and eats. Although it was not a long day, remembrances will bring smiles to the faces of all who attended.

The picnic is the perfect time for Andrea Baumgard **(OPPOSITE PAGE, TOP LEFT)** to forget the fears of graduation.

SMILES AND SPEECHE

Commencement exercises for the 228 graduating seniors of Warren High School were held June 7, 1985. The services began an 7:00 pm at the Ban Johnson Fieldhouse in Marietta. Underclass members of the Concert Band played "Pomp and Circumstance" as the processional took place.

The evening was opened by the invocation given by Stephanie Runyon and then the handbell choir gave their rendition of "The Star Spangled Banner". After three selections performed by the Warren High Chorus, it was time for the class sermon. Mr. Tom O'Connor, pastor of the Veto Presbyterian Church, spoke of changes coming for the seniors and for himself as they prepared to leave home and he prepared to move to a new ministery, Other speakers of the evening included Chris Kern who gave the Valedictory Address, Julie Holbert the Salutatorian, and George McAfee who gave a speech entitled "Be All That You Can Dream."

After the speeches it was time for the awarding of diplomas. To close the evening Kenna Short gave the benediction and Wendy Michaelis sang a solo entitled "You'll Never Walk Alone." This was a delightful end to a very happy ceremony.

Two very active seniors are **(TOP LEFT)** Donna Sloter and Sue Thompson posing in the band room where they are most often found.
Caught by surprise (TOP RIGHT) is John Hill.
Working hard in art class **(MIDDLE RIGHT)** are Phil Irvine and Darren Marks.
A good friendship brings smiles to the faces of Monica Kerns and Mary Marks **(MIDDLE RIGHT).**
Isn't love grand? It must be from the expressions of **(LEFT)** David Mitchem and Greta Greenlees.
A busy schedule only allows for a quick word in the halls for **(ABOVE)** Jenny Daggett and Greta Greenlees.

The fashion this year was to "wear your class." Andrea Baumgard, Steph Runyon, and Karen Heiss **(ABOVE)** are proud to be in the class of 85. **Sharing calling cards** and lunch **(RIGHT)** are Tina White, Brenda Stewart, and Jodie Christman.

SENIORS IN LEADING ROLES

Study hall isn't just for studying, Christy Sellars and Jenny Daggett **(TOP)** discuss make-up and share a little gossip.
A load of books (TOP RIGHT) doesn't slow down the active Susan Potts.
We're tough! Lori Lynch and Lorrie Seison **(ABOVE)** show senior spirit during Homecoming Week T-Shirt Day.
Sharing their favorite literature, Bill Dowler and Jon Marshall **(MIDDLE)** are both *Dungeon and Dragons* enthusiasts.

Preparing for fun at the Senior Picnic, Ron Place and Chris Kern **(TOP LEFT)** set up the pavilion.
Standing out in the crowd (TOP RIGHT), Kevin Fivecoait, Jerry Palmer, and Ken Boley prove themselves leaders.
Always outgoing, Jodie Christman **(OPPOSITE PAGE, RIGHT MIDDLE)** is chosen by the assembly speaker to participate in the action.
"What did you say?" Dan Proctor **(ABOVE LEFT)** doesn't seem to be able to believe his ears.
Athletes need a lot of food to sustain themselves; but Sandy Knost **(ABOVE)** seems to have carried it to the extreme.
Nerd Day brings out the spirit of the senior class. Jenny Daggett, Steph Runyon, Andrea Baumgard, and Sue Thompson **(OPPOSITE PAGE, BOTTOM)** are dressed like *"perfect nerds."*
Talented art students find outlets for their abilities in Miss Young's classes. Four of these talented seniors shown with Miss Young **(LEFT)** are Jay Greene, Milt Baker, Tim Craddock, and Keith Kemp.

TWO DOWN, TWO TO GO

As Sophomores Settle

During Robbie Richards' sophomore year, he was very active participating in JV basketball, baseball, and Varsity football. Robbie said that "one of the most exciting things this year was playing and lettering in football."

In his spare time, Robbie enjoyed traveling, camping, fishing as well as eating.

Even though he was active in sports, Robbie had a full schedule. He was taking all college prep classes so he could be prepared to attend Ohio State University.

When asked how he felt about his sophomore year, Robbie said that the people had changed and the classes were harder. He feels that "there is more pressure to succeed as college gets closer."

A busy class schedule, active in sports, and many extracurriular activities does not a dull boy Robbie make.

CTIVITIES BRING ACCOMPLISHMENT

Being a sophomore at Warren High School has proven to be a very active and exciting year for Charmel Brandt. She was an active member of the Pinehurst Pioneers 4-H Club. During the summer of 1984 she was selected to participate in the Ohio State Fair fashion show; and was awarded the Most Outstanding Fashion of the Day.

In addition to 4-H, her other activities included French Club, Speech & Drama Club, and Rifle Corps; and she played clarinet in the Symphonic Band. She was also proud to be selected as a member to the 1985-86 T.N.T. group.

She enjoyed listening to music, dancing, reading, being with friends, and twirling rifles. She found being the only sophomore on the Rifle Corps hard at first, but later described it as a "rewarding experience."

When asked about her future plans, Charmel said, "The only definite plans I have are to go to college, get married and have a couple kids."

FRESHMEN ON THE GO

Being a class officer and participating in student council took up much of freshman Heidi Gillespie's time. Heidi was president of the Barlow-Vincent student council in her eighth grade year so she decided to run for election at the high school.

Heidi felt that the most difficult change from grade school to high school was that she wasn't able to see her friends as much. Spending time with friends wds one of her favorite past-times along with playing softball.

Heidi, the daughter of Darrel and Drema Gillespie of Vincent, stated that her plans were to go to college and major in business.

After eleven years of long and tedious ballet practice, the hard work finally paid off for Valerie Reusser. In the hopes of gaining recognition for her dance she has been going to practice three to five times a week. She was selected to be an alternate in the King's Island dance show. "I went to tryouts last January and received a callback which qualified me for the final auditions. There I received an alternate spot in their shows because of my age," Valerie explained.

Although dance took up most of her time, she also participated in band and chorus. When asked about her future plans Valerie said she plans to go to Pointe Park College in Pittsburgh and major in dance. After that she hopes to move to New York and get into a jazz company. "I would like to dance on the cruise ships such as the S.S. Norway," she concluded.

Playing the saxophone was important in Mike Johnson's life. Mike participated not only in marching and concert band, but also in jazz and pep bands. He played both alto and tenor saxophone. "I enjoyed being in band, especially jazz band. At first it seemed impossible but with some work it became much easier," was Mike's comment. Mike decided to join jazz band because he thought it was a challenge. "I also enjoy playing and listening to this type of music," he explained.

Mike's hobbies included swimming, collecting stamps, drawing, and listening to music. When asked about his plans after high school he said he hoped to attend Ohio State and major in psychology or computers.

NEW FOOTSTEP

The first year teaching in a new school, most teachers will agree, can be a harrowing and nerve-wracking experience. But the seven new staff members survived their first year with even an occasional smile. So to the newest faculty recruits — The Few, the Proud, the Newest — we offer this brief salute and our appreciation.

Mr. Flesher, who stepped in as assistant principal and athletic director, offered this advice to students: "Be yourself and work up to your ability." He also told us that his hobby was raising, training, and showing Arabian and Morgan horses. He also judged horses of all breeds and had an avid interest in model railroading.

Mr. Howell, a graduate of Marietta College chose teaching math as a career because he enjoyed mathematics and helping others to learn it. His advice to students was "try not to take such a casual attitude toward school."

Mr. Anthony Carsone joined Warren's staff after having taught at Marietta City Schools. He taught the Occupational Education classes and was very active in coaching several sports.

N THE CLASSROOM

A 1979 graduate of Warren High School, Kathy Ward, who taught reading, found it enjoyable to be back and working with the teachers she was once a student under. She graduated from Ohio State University, and chose teaching as a career because she enjoyed working with young people, and felt that education is the strength of a society. Her advice to students was "to set goals that you know you can reach. Strive to reach them and learn from the obstacles you encounter while enroute to your goals. But most important of all, don't give up — become the person you want to be."

Bringing eight years of teaching with him, Nick Terakedis replaced Mr. Drake, who retire last year as government teacher. Two of the reasons Mr. Terakedis chose teaching as a career were because he felt that he could give students help and guidance, and he enjoyed coaching. His advice to students was "to enjoy your high school years because you can never be in high school again as a teenager, and do not put such a high priority on part-time jobs and money. You have the rest of your life to work."

Mr. Carl Carpenter began his teaching career at Warren. He enjoyed his first year of teaching science and coaching basketball and track.

THOSE PRECIOU

Yes! Believe it or not, the Warren High School faculty had a home life just like the rest of us. They enjoyed going home, kicking off their shoes, and relaxing after a rigorous day in the classroom. Members of the faculty were parents, animal lovers, vacationers, gardners, and even housekeepers. Teaching was only a small part of how they spent their time. We have highlighted here what a few of the faculty did when they weren't at school.

Horticulture provided a relaxing and rewarding hobby after the mental strain of a day of teaching for Mr. Bedilion. He told us that his summer plans include a visit to the beach.

A wide variety of hobbies such as hunting, fishing, camping, photography, cooking, and watching movies didn't leave much spare time for Mr. Zlatkind. He stated that he will spend the summer of 1985 traveling around the Rocky Mountain area.

Being a wife and a teacher provided two full time jobs for Mrs. Ward, but she also managed to find time for her hobbies and special interests. She participated in a bowling league, took aerobics, and was a pianist for a junior church choir. Her favorite hobby was cross-stitch and she also enjoyed stenciling.

This summer you will be able to find Mr. Bedilion **(TOP RIGHT)** at his favorite place — the beach.
Many after school activities fill up much of Mrs. Ward's **(ABOVE)** spare time.

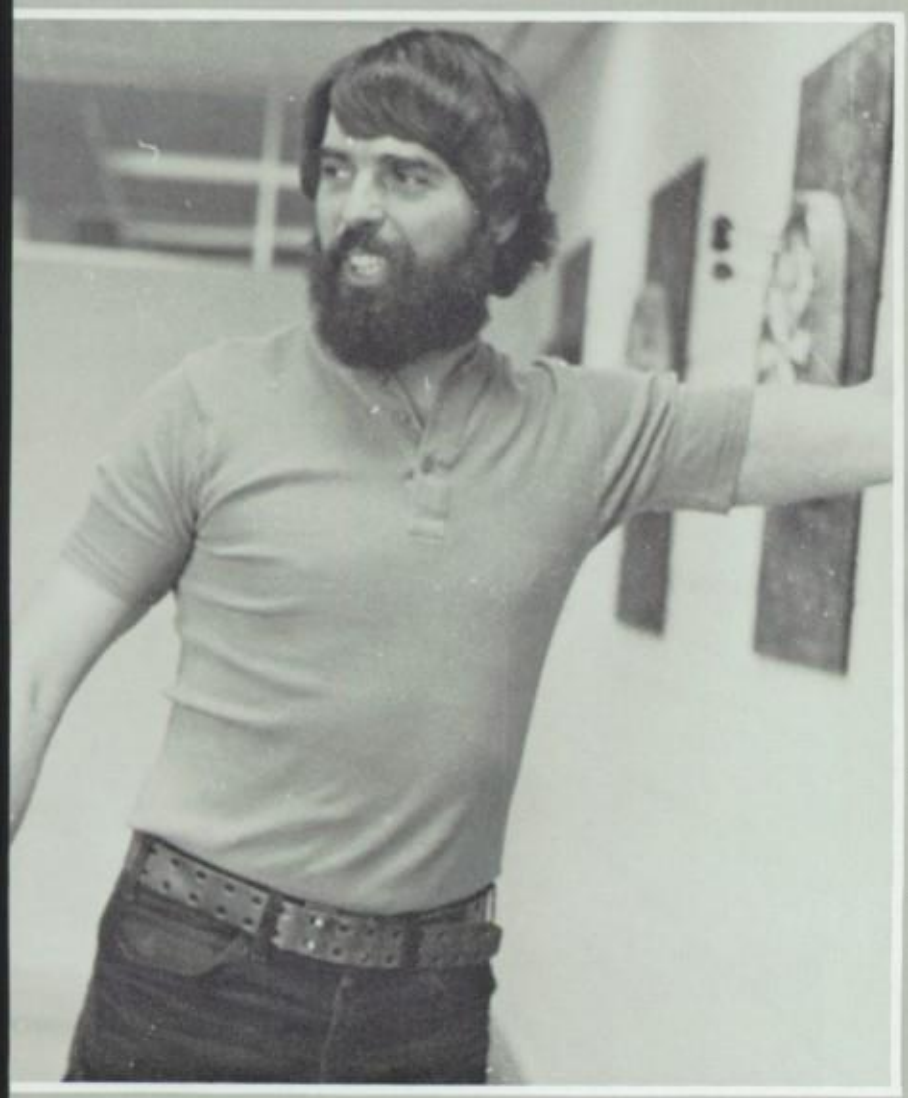
FREE MOMENTS



For many years the first Saturday in May has found Mrs. Stalnaker and her husband at Churchill Downs enjoying the fun and excitement of watching the Kentucky Derby. She also told us that other things she enjoys at home include keeping house, playing cards, and watching "Dynasty" and "Dallas".

Instructing students in handgun shooting and hunting made for an enjoyable hobby for Mr. Howell, who also enjoyed being the chess club advisor during school hours.

Teaching and taking care of her three sons made for a very busy year for Mrs. Cowdery. She said she will divide her summer between the pool and the baseball fields. She also said she will vacation at the beach where she enjoys sailing and snorkeling.

Fishing, gardening, motorcycle trail riding, and working around the farm filled up the after school hours of Mr. Brant. He said his summer will be filled working construction.

RUNNIN' AGAINST THE WIND

Warren's Cross Country Team was lead this season by senior sensation Darren Marks. Darren finished the three mile course in an average time of 17:00 minutes; finishing first in four of the thirteen meets in which he was entered. Darren ran away from the field at the TVC meet winning MVP honors. He missed qualifying for state competition at the district meet by just a few seconds. Not far back in the pack was sophomore Vince Stollar and junior Scott Britton. They had average times of 18:00 and 18:45 respectively. These scores helped to give the Cross Country team a winning season.

Rookie coach, Mr. Terakedis, thought the team ran well and should have a promising season next year.

SHE BOP

This year's Warren Volleyball teams gained experience and a better understanding of the game. Although their records were not great, the Varsity and Junior Varsity teams showed strong signs of improvement towards the end of the season.

The Varsity team had only three returning seniors, Lisa Horner, Mikki Miller, and Pam Jeffrey. The seniors led the team and helped in practices. Senior captain, Lisa Horner was given the award of team MVP for her efforts and was selected as an all conference player.

The rest of the varsity was composed of juniors. For most of the juniors, varsity playing wasn't new. Jeanine Williams, Christy Burkhammer, Tia Worstell, Misty Kemp, and Michelle Miracle had all played varsity before and knew what was expected of them.

The junior varsity team consisted of sophomores and freshmen. Although volleyball was a new sport for most of them, the junior varsity players learned quickly and soon showed that they could handle the game.

JUST A SWINGIN'

The Warriors were led this season by junior Keith Brackenridge. Averaging 40 strokes per match, Keith was named MVP of the TVC tournament. Keith tried to qualify for district play at the AAA Sectional Tournament, but was defeated in sudden death.

Rounding out the Warrior attack was junior Mike "Bub" Ferrell and seniors Dan Suprano and Ron Place averaging 43, 46, and 47 respectively. Senior Dan Ullman and Dan "Spark Plug" Proctor added needed help for the Warriors.

The outlook for next year looks very promising with Keith and Mike along with sophomores Chad Plummer, Chris Cowell, and Jeff Martin returning.

THE WILD BOYS

The Warren Varsity football team ended the 1984 season with a respectable 7-3 record. The three losses were to Meigs, Trimble, and arch-rival Belpre.

The season started off with a 15-3 win over Marietta. Then the Warriors rolled off a 5 game winning streak beating, Alexander, Wellston, Vinton, Miller, and Federal Hocking. The Warriors then lost to Meigs by a narrow margin of just 4 points.

Highlights of the season included a school record field goal kick by Kevin Fivecoait. Fivecoait was joined by running back John Fryman in the selection for all S-E District team.

ONLY TIME WILL TELL

The Junior Varsity and Freshman football teams had excellent seasons this year. The Junior Varsity posted a 6-2 record, while the Freshman team went undefeated at 8-0.

A disappointing loss to Marietta in the season opener was later avenged when the gridders ran off a six game winning streak. They rounded out the season however, with the only other loss to arch-rival Belpre.

The Freshman team achieved a first in Warren football history by finishing the season without a loss. They began the season with a close but victorious game against Marietta. With skillful playing, the team finished the year undefeated. Capping off the season with a win over Belpre was one of the highest points of the year.

Now these teams must prepare to step up and take the places of the players who have either moved up to the varsity level or graduated. Only time will tell if they can fill the shoes of their predecessors.

Cheerleading squads at Warren High School once again showed their spirit and pride for the high school sports teams. They attended all of the sports events with high spirits and smiles.

Mrs. Terakedis was advisor through football season, and Mrs. Brenda Hand took over after her resignation. "Momma" Hand as she is affectionately called quickly took charge and got the squads to continue their hard work. With a little help from "The Rowdies" the cheerleaders got "the good times rolling" and cheered the team to victory.

The Varsity Squad attended the Fort Frye Cheerleading Competition and won third place for their efforts.

The Junior-Varsity and Freshman Squads worked on floor cheers and mounts during the year. They worked hard because they knew that competition to make the squad next year would be tough.

JUMP

After a slow start, the Warriors came through to post a 10-12 mark. Working with a new coach was hard, but the boys seemed to handle the situation well. By mid-season the Warriors were playing good ball and getting prepared for their opening game with Chillicothe in the AAA Sectional Tournament.

When the buzzer sounded, the Warriors had posted a 79-72 victory and a chance to play Lancaster. Playing their hearts out, the boys lost a hard fought game by the score of 90-58.

Leading the way for the Warriors was senior guard Dave Mitchem, who scored 344 points this season averaging 16 points per game. Mitchem was helped by juniors Ken Alkire and Brian Rauch and senior Jim Ingram averaging 14, 11, and 11 points per game, respectively. Alkire led the way on the boards pulling down 150 this season. Rauch was close behind grabbing 138 along with senior Doug Hesson who ripped down 110 to pace the Warriors.

Dave Mitchem was selected to play on the District 12 East-West All-Star game in Cambridge. Dave was also selected to the second team T.V.C., special mention All-State, and first team Southeast District.

Coach Terakedis thinks next year the Warriors should be in the thick of the T.V.C. race. Incoming juniors and sophomores will be packing talent and an impressive record as JV players.

GETTING BETTER

The Junior Varsity and Freshman basketball teams topped off excellent seasons with records of 18-2 and 12-4 respectively. Hard work and determination payed off for these two learning squads.

The Junior Varsity team gained experience they will need for next year playing on the Varsity squad, and posted a record unmatched in years. The Varsity team has good talent coming up for next year's season.

Playing together for the first time can be hard. The Freshman team worked together and performed well.

The Freshman ended their season finishing second in the Freshman T.V.C. Tournament.

NO SURRENDER

The Varsity Girls' Basketball Team finished this season with a 12-9 mark. The Lady Warriors were lead by senior guard Sandy Knost. Sandy finished second on the all time scoring list behind '84 graduate Denise Williams. Sandy reached that peak by scoring 357 points this season.

The highlight of the season was defeating Belpre twice this year by scores of 43-20 and 67-37. The girls finished the season with a tough loss to Logan in the AA Sectional Tournament at Ohio University.

With their two big juniors, Erica Gessel and Tia Worstell, returning for an inside game. Along with juniors, Layne Frye and Brenda Woodyard and sophomore Tina Dalton, to trigger fast breaks. The girls should have an excellent season next year with their sights on a T.V.C. championship.

NEW KID IN TOWN

This year's Junior Varsity Girls' Basketball Team had a winning season. They posted a 10-8 record, a respectable record considering the number of new players to the team.

The team started the season off by destroying Belpre, 37-7. They then beat Alexander and Vinton County. They narrowly lost to Wellston and Federal Hocking. Towards the end of the season, the team rolled off a five game winning streak.

The outlook for next year's team looks good because of so much talent coming from the freshmen on the team.

DO IT AGAIN

The Warren High School Grapplers did it again. They won the T.V.C. crown for the fifth straight year, had six T.V.C. champions at the tournament, had four sectional champions, and placed eight wrestlers at regionals.

Warren wrestlers Rod Woodruff, Brian Knotts, Chris Kern, Mike Starner, Rob Barnes, and John Fryman won their classes at the T.V.C. Tournament. Senior Chris Kern won his class at the T.V.C. meet for the fourth straight year. Sophomore Rod Woodruff won his class at sectionals making him Warren's only school champ.

Warren placed wrestlers Rod Woodruff, Brian Knotts, Chris Kern, Randy Henthorn, Troy Eddleblute, Rob Barnes, John Fryman and J.D. Anderson at the regional meet.

The J.V. wrestlers worked hard and had a good building season. They will be expected to take the places of the lost members of the Varsity Squad.

BORN TO RUN

This year's Warren Boy's Track Team had the job of breaking in a new coach. The new coach, Larry Treadway, did a fine job. He worked the boys hard in the early season to get them ready for the meets later in the season.

The team gave good showings at the triangular and duel meets, usually placing very well. Although the team did not place very high at the invitationals it usually ended up in the top ten teams.

Many new track records were set. Eric Anderson set a new pole-vault record of 13'3". Jim Lee posted a record time in the 400, and the 1600 meter relay team of Jim Lee, Bob Harlow, Dale Witte, and Kirk Warner gave a record time of 3:36.5. Jim Lee also qualified to run the 300 lows at regionals.

The outlook next year looks quite good, because the team is loaded with young competitors. The juniors were strong in the field events, and the other underclassmen were strong in their respective events.

RUN TO YOU

The Warren Girls' Track Team gave a fine showing in 1985 especially as they showed strong signs of improvement towards the end of the season. Two major factors affecting the team were a new coach, and a small turnout of girls. But the girls gave it their best shot and proved to be a good team.

The team did set several records. Laura Kalkreuth set a record time of 13.05 seconds in the 100 meter dash. Layne Frye set a new record in the 800 and later competed at the regionals. The girls' 400 meter relay team of Michele Welch, Kim Glover, Ernestine Jones, and Laura Kalkreuth posted a new record of 55.9 seconds; and Ernestine Jones set a new record in the 300 low hurdles.

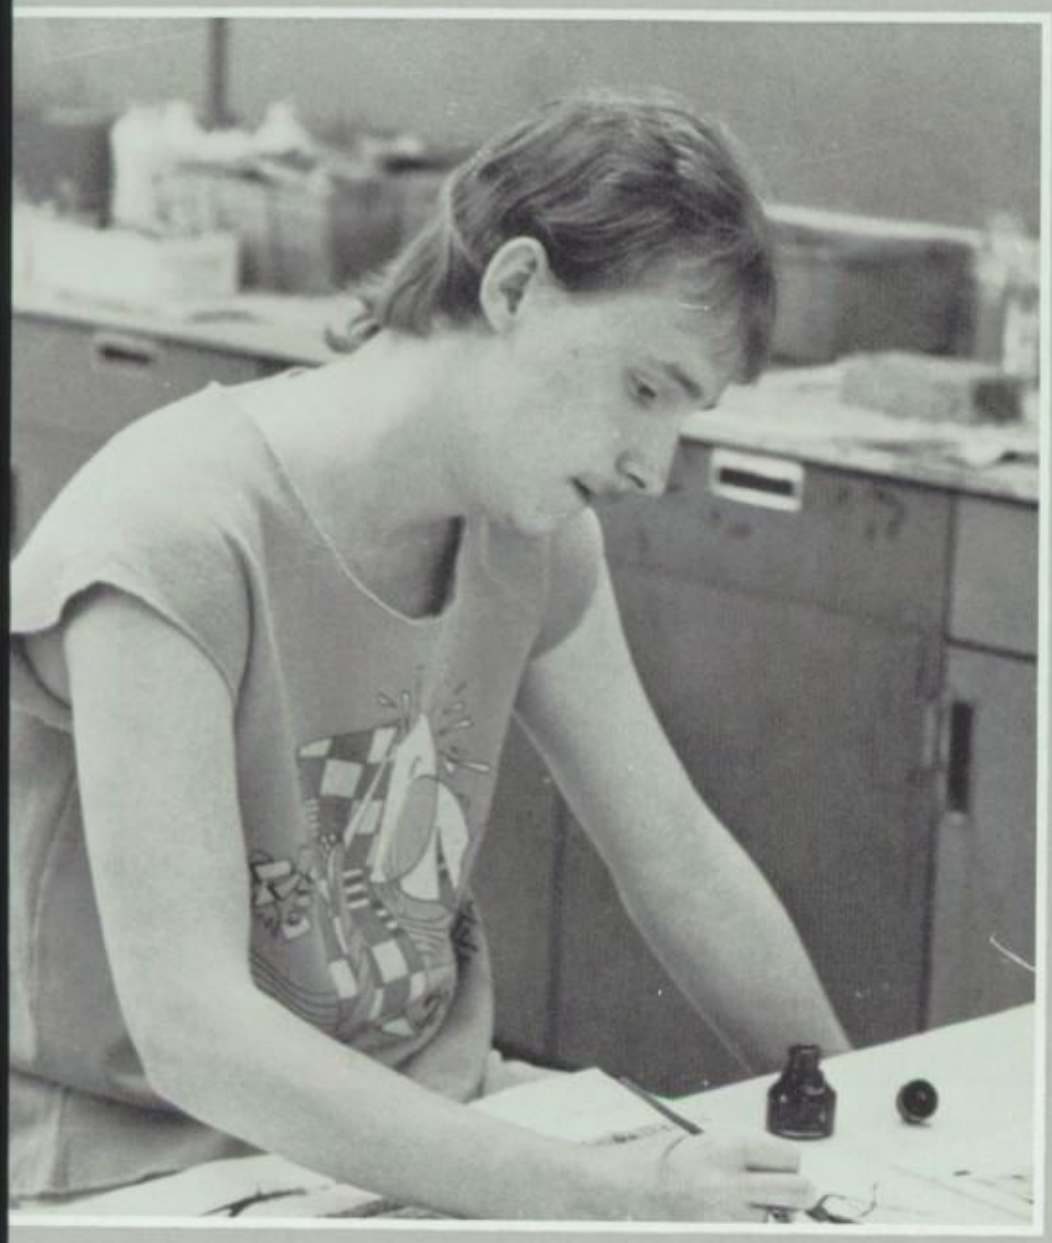
HAN A HOBBY



Art is essential to society. It provides proper educational balance and creative learning experiences. The art department strived to meet the needs of all interested students by offering Art I, Art II, Art III, Art IV and Art History.

Students involved in the art programs worked in a wide variety of media and techniques, and attention was given to individual creative growth. Creativity was stressed in both the use of materials as well as imaginative representation of subject matter.

During the year students were encouraged to participate in various exhibitions. These included the Children's International Art Exhibition in Japan, The Young People's Art Exhibit sponsored by the Ohio Art Education Association, and the Wood-Washington County Student Art Exhibit sponsored by Marietta College. Culmination of the year's creative efforts was viewed by parents, teachers, friends and fellow students in the annual end of the year Art Exhibition held during the first part of May.

Hard work, dedication and lots of school spirit are a must if one is to be a part of the Marching Warriors. The long days of practice started in June and lasted throughout the year. In August band members attended camp which was one of the highlights of the year. Camp was where they learned their new routines for the season.

Along with playing for all conference football games, the band performed for parades, pep assemblies and also competed at Marietta, Fort Frye, Athens, St. Clairsville, and the State Band Competition. This year they took an excellent rating in state competition.

With pre-game and half time shows, the football season was the busiest time of the year for the Marching Warriors. The long hours of practice were forgotten when the crowd cheered and spirits were high. All the Marching Warriors knew it was well worth the effort.

THERE'S MUSIC IN THE AI

With the end of football season also came the end of marching band, but not the end of the musical talents of the people who made it up. Beginning in December, they focused their attention and talents on concert band made up of ninth and tenth graders and symphonic band consisting of tenth, eleventh, and twelfth grade students.

Directed by Mr. Ruth the two bands gave Winter and Spring concerts open to the public. The Winter concert, February 26, helped prepare the two bands for district competition. At this district competition, March 9, both bands received an excellent rating. Symphonic Band also helped to bid the seniors good-bye by performing at the graduation ceremony.

Directed by Carl Watson, Jazz Band performed at Winter Concert and also played at two home basketball games. Band members stayed after school two nights a week to get the practice they needed to perform at Ohio University March 2 for a jazz concert. They also gave future Warren High students a chance to see the band by performing at the elementary schools in the Spring.

The Chamber Ensemble was an audition group that any Warren student in either vocal music or A Cappella could try out for. The group was to perform for the ninth year in a row in the district 9 solo and ensemble contest, but due to inclement weather the group was unable to attend. In place of the contest they participated in a chamber choir festival, April 30, at West Liberty State College in west Virginia and received a superior rating there.

In the 1985 Musical Revue the chamber singers performed "New York, New York" and with the help of choreographer Angie Cunningham, put a little dance into the show. They also performed at the IOE banquet in May.

Mr. Lowther, the group's director, stated, "It seems that each year the quality of voices improves. The group is ready to participate in more competitions — perhaps the Contat in 1986." (The Contat is a national competition for chamber choruses held at the University of Maryland in Baltimore County.)

Aside from Chamber Ensemble there was also a Women's Choir and an A Cappella group. They sang at many of the same events as Chamber Ensemble. Also this year's A Cappella and Women's Choir participated in the Ohio Music Education Association's State Band and Choir Competition held at Jackson Massillon High School on April 27. Both groups received a superior rating for their outstanding work.

RAINBOW OF SOUND

HANDBELLS

In handbells students learned to read music and use this skill to play handbells. Special techniques were learned to acquire the sound wanted. A few of the techniques taught were shaking, tol ringing, thumb damping, and mallot ringing.

Some of the events participated in by the three handbell groups were the Christmas concert, the Revue, the Spring concert, and graduation. They also performed many other times during the year for community groups.

Handbells was a good class to take to develop new friendships and learn to work as a team.

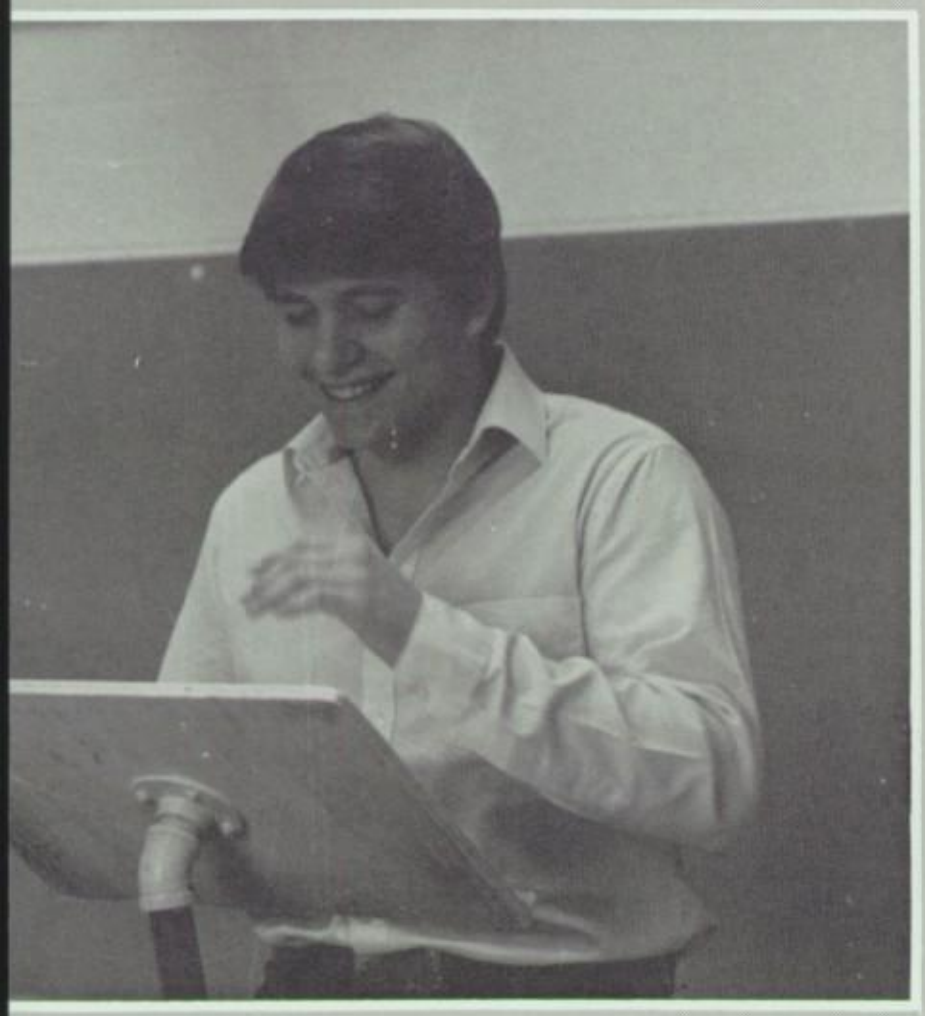
Spanish classes were taught by Mrs. Bolden. She was also the advisor to Spanish Club and the Spanish Honor Society. Requirements for membership in Spanish Honor Society included having an A or B average and the completion of three semesters of Spanish.. The group was led in 1984-85 by president Kim Holbert and vice president Donna Sloter. Honor Society members met once per month in members' homes and participated in skits and sampled various Spanish foods. Spanish Club and Honor Society members often played Spanish bingo and were given the opportunity to play other games such as Scrabble in Spanish.

WORLD THRU LANGUAGE



Magnifique! That's the only way to describe our French department. Warren offered one of the finest French departments in the area to its students. With an emphasis in society placed on international relations, more students were realizing the usefulness of a strong foreign language education.

First year French was taught by both Mr. Williams and Mr. Bedilion, and Mr. Bedilion also taught the second, third and fourth years. Both teachers also were advisors to the French Club. French Club activities included caroling at Christmas and playing French language games. Also Warren placed students in the district and state levels of the Ohio Academic Tests for French.

CREATING A MOR

All students found themselves in English class once during the day. Topics including grammar, literature, composition, and spelling were taught and reviewed. Besides the regular English classes the department also offered a course in speech and drama. In that class students studied the importance and mechanics of being a good public speaker. They also studied many aspects of the theater including its history and techniques; and they performed in many small productions during the year including skits during Alcohol and Drug Awareness Week. A group of classes added for the 1984-85 school year were classes in reading taught by Mrs. Kathi Ward. These classes offered an opportunity for students having trouble with reading to get help.

The Drama Club was by far Warren's largest and most popular club. Members joined so they could brush up on acting skills and have fun participating in and reading plays. Drama Club's main project during 1984-85 was sponsoring the Christmas play, "The Night Before Christmas," just before Christmas break began. The members worked on the various acting techniques — gestures, postures, speaking, stage lighting, and make-up application — during the year. The many members had a lot of fun and helped to fund their activities with the production of the Christmas play.

A LOOK INTO THE PAST

The social studies department strived to teach students about the past and present events of importance in the world, as well as important dates, current problems, customs, government systems, laws, and different ideas of the world's people.

Beginning as freshmen, most students took a social studies class throughout high school. Civics as freshmen, American history as juniors, and government as seniors were required classes. World history, current social problems, and Ohio history were electives. Through the teaching of past events, the social studies department prepared students for the future.

KEEPING FIT

Physical education was a semester long class all ninth and tenth grade students were required to take. Phys. Ed. helped students achieve high physical stamina. Some of the skills and sports taught were: golf, volleyball, basketball, softball, archery, weight training, and aerobics. Students also learned sportsmanship and team work.

Weight training was a class offered to boys in grades 10-12. Most participated in school sports and used this class as a way to get into shape. Aside from muscle toning exercises and running, students had a chance to practice the sport in which they participated.

With much emphasis in society placed on technical occupations these science courses were of great value to the students.

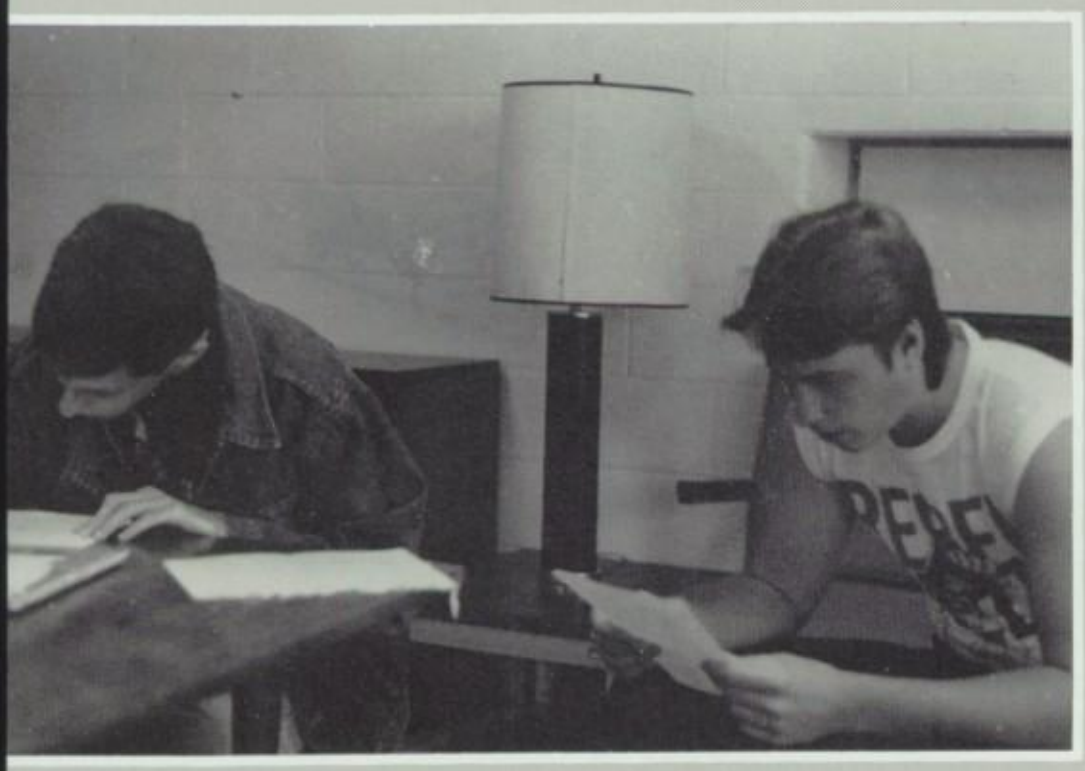
YEARBOOK STAFF



For the 1984-85 school year, the *Shield* staff had a handful of experienced workers returning, but there were also several new members. These new members were shown the right techniques for a successful yearbook. The staff worked under the direction of Mrs. Norton and the capable leadership of editors Mikki Miller and Lorrie Seison.

Much work went into the *1985 Shield*. Making layouts, choosing a suitable cover, taking and developing hundreds of pictures, cropping pictures, writing stories, and selling senior jerseys and yearbooks were just some of the many tasks performed in and outside of class.

THE STORY BEHIND THE NEWS

Once a month during the school year, the school newspaper "The Battle Cry" comes out. Included in the nine issues was the special "end of the year" Senior edition.

The Battle Cry had two new features this year. Happy Ads, which were messages you could buy at 10 cents a line to send to someone special, and Dear Gabby, an advice column with a humorous outlook.

If you were one of the 19 members on the staff you would have a lot of individual work to do, but you would also receive a lot of experience in the field of journalism.

It took two to three weeks to get ready for the layout which took another two or three days to complete. After it was finished, it was sent to be printed by Mr. Rauch and some of his students.

If you wanted to buy a copy of the Battle Cry, they were sold at lunch for 25¢ per copy (50¢ for the Senior Edition) or you could have taken a subscription at the beginning of the school year for $2.00.

Before Christmas, the members worked on Christmas designs. They made stars, trees, and other Christmas decorations. On these designs, they used their calligraphy pens to write names or messages in Old English or some other decorative style. Mrs. Mayle, Mrs. Ward, and Mrs. Ruth were the advisors/instructors for Calligraphy Club this year.

Industrial Arts Club worked on one year-long project during the 1984-85 school year. The members spent the year working on five chess sets that included boards, chess pieces, and boxes to hold the pieces. The group hoped to sell the sets at the end of the year and keep the profits for the club treasury.

Industrial Arts Club members were required to pay two dollars in dues to help cover expenses. Officers were elected at the first meeting; they were as follows: Jay Callihan, president; Keith Striblin, vice-president and treasurer; Darren Gray, secretary; and Clark Dunham, sales manager. Mr. Schaad was the advisor for the Industrial Arts Club.

FUTURE HOMEMAKERS

The 1984-85 school year marked the fortieth year of existence of the Future Homemakers of America's (F.H.A.) national organization. Some of Warren's F.H.A. group activities centered around the national forty-year celebration.

One of the F.H.A. fundraising projects was preparing and serving the milk marketing dinner in October. Before Valentine's Day, the group sold carnations, and the proceeds from this went to the Children's Hospital in Columbus. Also, in honor of F.H.A. week, the group sponsored a special contest. Over three hundred paper hearts were hidden throughout the school, and a contest was held to see which student could find the most. Ron Place collected over fifty hearts and won a $10 gift certificate to Record Mart. Other activities included attending the regional rally at Rio Grande. The F.H.A. was led by president Susan Potts; and Susan also received a first place in the Southeast Region of Ohio in the category of consumer decision making.

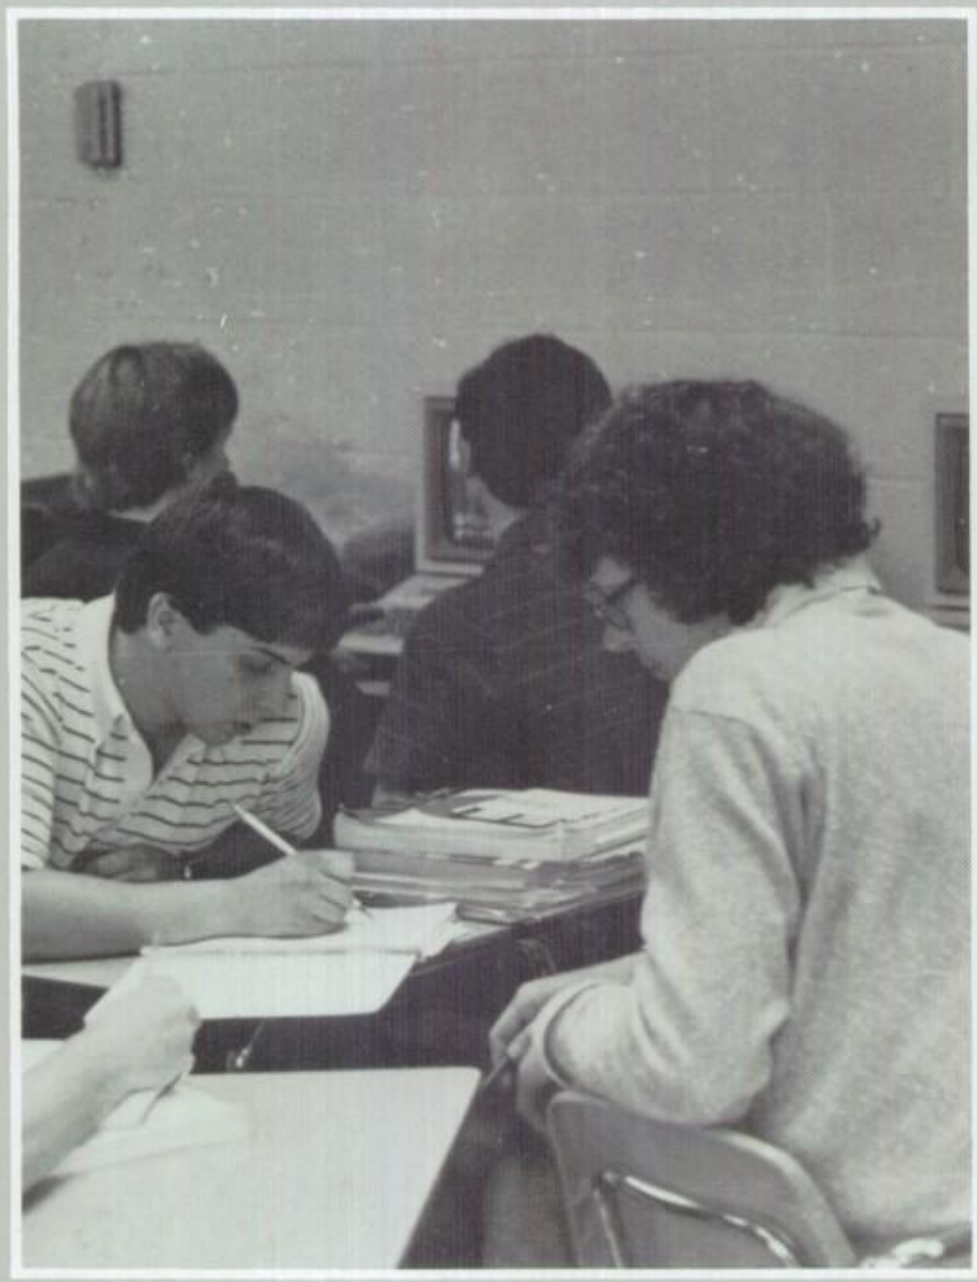
Warren's Future Farmers of America (F.F.A.) chapter claimed many successes during the 1984-85 year. Chuck Tullius won state champion honors for his potatoes at the Ohio State Fair. Brian Barrett was the fair grand champion in the market lamb category at the Barlow Fair. Angie Barnhart was selected for the state F.F.A. chorus, and Jenny Ludwig was chosen to be a member of the state F.F.A. band.

In November seven students went to the national F.F.A. convention in Kansas City, Missouri. On March 25, 1985, the F.F.A. held its twenty-fifth annual parent-member banquet; special honors were given to past members to commemorate the twenty-fifth banquet. Seven teams entered state judging contests in April in the categories of dairy cattle, general livestock, mammal identification, agronomy, wool judging, meats judging, and horse judging.

Also during the year, several F.F.A. members competed on the Parliamentary Procedure and Public Speaking teams. The group also held their annual fundraiser, the sale of citrus fruits and popcorn. George McAfee retired as district fifteen F.F.A. president, and Brian Barrett was elected district vice-president.

BITS, BYTES, BASIC



No, its not gibberish — its computers. Students found themselves working with computers in all subject areas during the 1984-85 school year. Through the excess profits of the lottery, Warren received enough money to purchase twelve Apple IIe computers for the computer classes which allowed for one computer for every two students enrolled. This gave these students much better experience and allowed them to learn programming more easily.

Computers were also a part of many other classes. With more equipment available, teachers were able to integrate computer instruction into their classes. With computers of increasing importance in society, Warren was able to give its students a little of the experience and knowledge they needed for success in the technological world.

Changes became rather commonplace in Warren High School's Math Department this year. Twelve new Apple IIe computers were purchased for the computer programming classes, and Computer Programming II was changed to a Pascal programming class. Also, the Numerical Anaysis course for seniors was added to the curriculum for the 1984-85 school year. Another change was new faculty members for the department. Mr. Howell joined as underclass teacher and Miss Winton was added as a second computer teacher.

The Math/Computer Club elected its officers at its first meeting. They were as follows: John Fryman, president; Heather Surface, vice-president; and Sandy Knost, secretary. The members had the opportunity to use the time during clubs to run programs they had written in class or programs they had done at home. They looked at videos in a series called "Fast-Forward." The videos showed current uses of computers in business, transportation, medicine, and communications. The members also used some commercially made game programs, some physics and chemistry simulations, and math graphing materials from the Minnesota Education Computing Consortium (M.E.C.C.).

BLOCK MEANS BUSINESS

There were two different kinds of secretarial training to choose from as a junior last year, steno and clerical block. The big difference between the two blocks was that steno offered shorthand and clerical didn't. Both block programs offered accounting, computers, and typing. Seniors got office experience in one or more of the following places: the main office, Barlow-Vincent elementary, and one of the administrative offices.

Don't think that block was all work and no play. Students planned and prepared once a month coffee breaks, where they invited various speakers to talk to students on subjects such as banking, clothing, make-up, and Air Force and office careers. They also took a business department field trip to tour the Municipal and Public Debt buildings. Students did various work for different teachers, like typing up tests, worksheets, and running them off on the copier as well.

The senior IOE banquet was held May 9 at the Ramada Inn. At this banquet, students were rewarded for their achievements for the last year. Students receiving plaques were: Micki Keller, Lisa McGirr, Kim Paxton, Cheryl Bell, and Karen Dowler. Tamara Lucas was named Most Outstanding student.

Many students interviewed said they were glad that they had taken the class, and thought that they would benefit from the experience upon graduation.

For students who entered the J.V.S. for the first time, there were many differences from their old high schools. A day for a J.V.S. student included, as a junior, English, data processing, and their job related lab. Seniors took government, history, and lab.

J.V.S. had several different fields of study to major in last year, from learning the skill of hairstyling, manicuring, and make-up application in cosmetology, basic office technology, accounting, filing, office machines, shorthand, and computers in CABOT (Computer and Business Office Technology) to classes in masonery, electronics, diesel mechanics, floraculture, distributive education, forestry, food service, carpentry, health occupations, welding, drafting, and auto body. A senior could also take Occupational Work Experience, and received high school credit for working in a job that offered experience in the field of study they chose.

All the training and work experience J.V.S. students got helped to prepare them to find a job they were not only trained for, but also enjoyed.

CONCENTRATION PAYS OFF

EXAMPLES OF STUDENTS HARD AT WORK

The secret of success for Warren students is the dedication they give to their schoolwork. Hard work, practice, study, and determination pay off in a reputation for excellence for Warren High School.

GREAT ATHLETES

To be eligible to join Varsity Club, a person must have had at lease one letter in any varsity sport. Naturally, this left only a select few who can become members of Varsity Club.

The Varsity Club this year sponsored the powder puff football game during Homecoming week, and they held a volleyball tournament during the winter. Two members of each volleyball team had to be girls, and six members played in each game.

Mr. Biddinger was the advisor for Varsity Club this year. The group was led by officers Craig Lochary, president; Christy Sellars, vice-president; Greg Huffman, treasurer; Heidi Newman, secretary; and Lisa Long, parliamentarian.

FELLOWSHIP

The Fellowship of Christian Athletes sponsored several road races here at Warren High School this year. On September 8, 1984, the "Going to the Dogs" run was held. The race was intended to be 3.1 miles, but the distance was miscalculated, and it was actually 4.2 miles. Benefits from the race went to the humane society. Jim Ruble won in a time of 22:28. Prizes included gift certificates from Pizza Hut and Burger King. On November 17, the FCA sponsored the "Spirit of Thanksgiving" runs, a 3.1-mile race and a one-mile fun run. Bob McElwee won both races, and Jeff Rowley, a 1984 graduate of Warren, finished second in the 3.1-mile race in a time of 16:39.

The FCA also had several guest speakers from various organizations who came into club meetings during the year. One of them was Tom O'Connor, who spoke during club meetings on December 5. He is presently the minister at Veto Presbyterian Church.

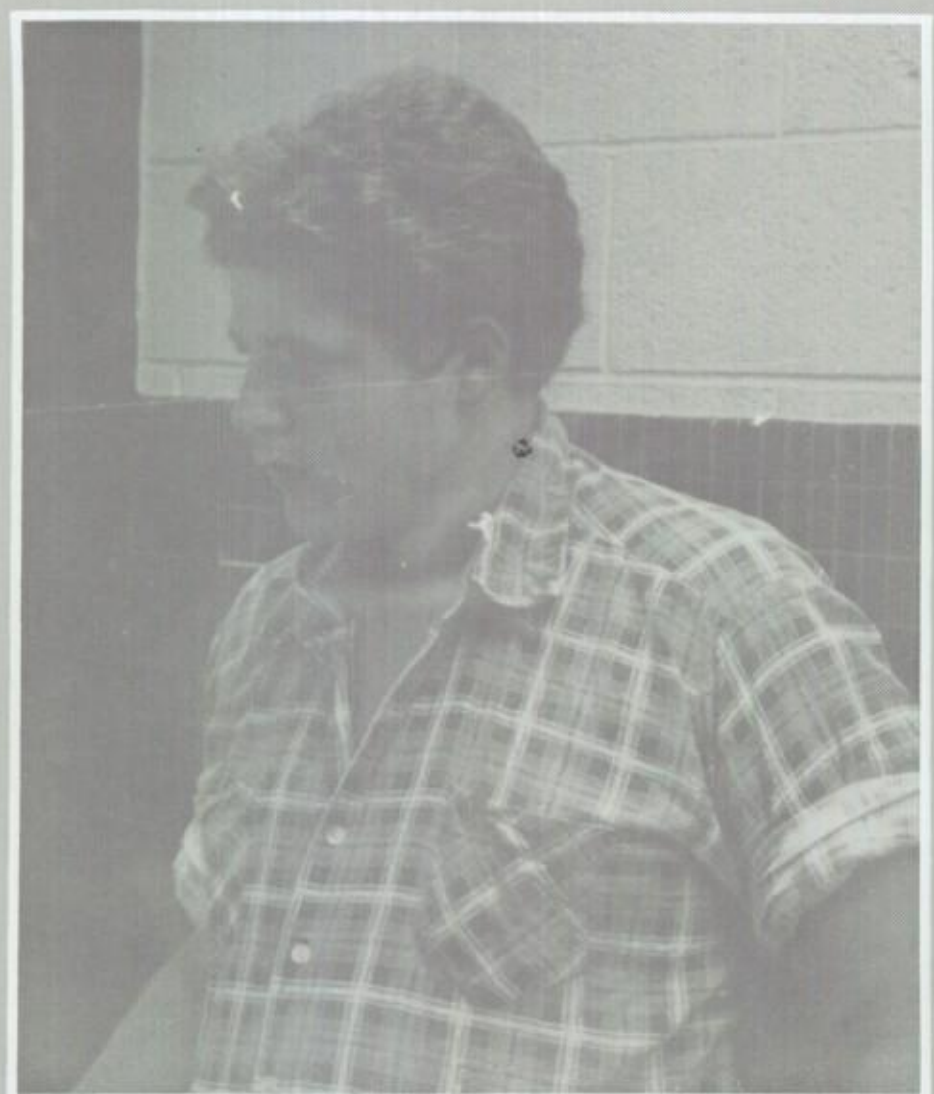
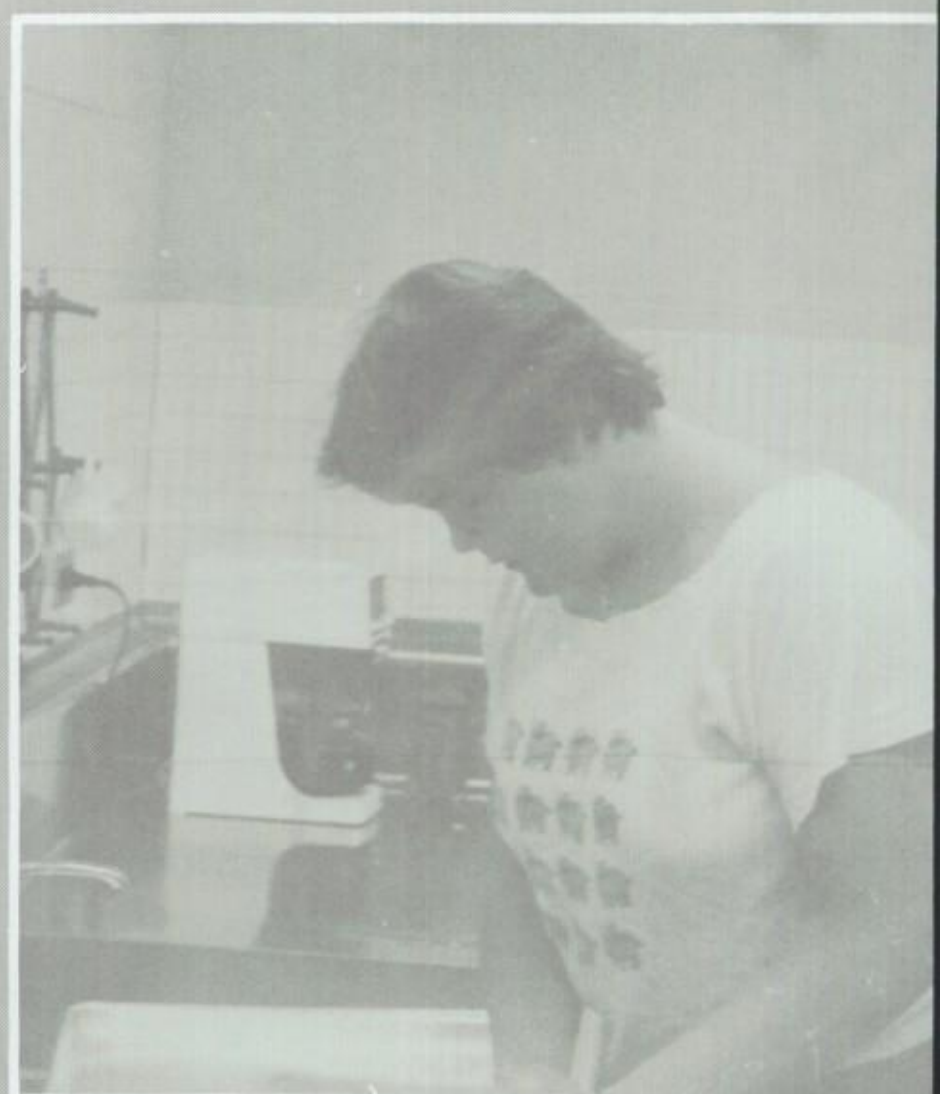
EXPERIENCE – LEARNING





There were two programs at Warren which offered students a chance to get class credit and work experience at the same time. The newest was Occupational Work Adjustment or OWA. It was a one or two year ungraded vocational program designed for 14 and 15 year old students. The program placed a heavy emphasis on remedial instruction, vocational orientation, and in-school work experience.

In addition to this program there was also Occupational Education (the older of the two) which was taught by Mrs. Huettel and Mr. Carsone. Students again worked around the school in addition to classroom work covering reading, math, career exploration, and job adjustment and performance.

The Teens Need Teens (TNT) program at Warren began in November, 1982, when the first group of students was sent to the annual training weekend. Now, new groups of students are sent to train in the fall of each year. They learn listening skills, problem-solving skills, basic counseling skills, and information concerning drugs and alcohol. The new members then come back and join the group of previously trained members. The group then acts as a peer support organization.

One of the TNT group's main activities this year was giving presentations in the elementary schools concerning drugs and alcohol. This project was in its second year and was termed "pretty effective." Also, some group members occassionally attended monthly meetings in Marietta of all the TNT groups in the area.

Mrs. Dunker and Mr. Zlatkind were the advisors to our TNT group. TNT members met during each club meeting and often tried to express their own problems as well as those of others. Members were reminded that they are peer support — not peer counselors. TNT was also the organizer of Drug and Alcohol Awareness Week during the week of April 29-May 3.

ALL IN FAVOR SAY AYE

This year's Student Council, led by president Kenna Short, accomplished many important tasks. As usual, they sponsored the Homecoming activities, which included Spirit Week, the Homecoming ceremony, and the Homecoming Dance itself. Student Council also funded three dances during basketball season. Although attendance wasn't good at first, it picked up later and the turnout was great.

The Student Council was busy during Christmas time. They invited the Greytopper Senior Citizens group to come and eat lunch at the school cafeteria while the Chorus and Band entertained them. Santa Claus even put in an appearance one afternoon and gave all the good boys and girls a candy cane.

In the spring, Student Council sponsored its annual movie — Alfred Hitchcock's thriller, *The Birds*. They also held, during club periods, the intramural basketball tournament. It proved to be an exciting and enjoyable year for everyone.

THE SELECT FEW

Warren High School's Television Honor Bowl Team was made up of Seniors Heather Surface, Dan Ullman, Mikki Miller, and George McAfee. Mr. Mike Brant served as the coach/advisor to the team members during their three competitions this year. On November 19th, 1984, the team competed on WTAP TV-15 against Ripley and lost by a score of 150-110. In February, the team competed in the Bobcat Buzz-in Quiz Tourney at Ohio University. They lost to Wellston and Logan in the double elimination tournament.

On Saturday, March 9th, Warren High School hosted the Tri Valley Conference Quiz Bowl. Mr. Brant was the director of the competition, and seven teams participated: Alexander, Belpre, Meigs, Nelsonville, Vinton County, Warren, and Wellston. In the double elimination competition, the Warriors lost first to the eventual tournament champions, Alexander, and then to the runners-up, Vinton County.

ational Honor Society this year had twenty-one members. Officers were Chris Kern, president; y Daggett, vice-President; Sta- Vore, treasurer; and Kim Holbert, etary. NHS collected canned ds before Christmas and donated to the Salvation Army. Members Christmas caroling at St. Joseph's ital on December 21. NHS also sored the Valentine's Day Dance ebruary. STICK IT TO 'EM

Dart Club met during all three clubs this year. During the club meetings, members competed in two-person teams and played games such as "301" and "Cricket." In the spring, a members-only doubles tournament was held and there was an open competition in the singles category. Mr. Mike Brant was the advisor to Dart Club, now in its third year at Warren High School. Members were chosen based on a signup during the spring of 1984, plus a few new members were accepted during the fall according to the number of openings in each club group.

The fact that there were sixty-two members in Chess Club this year dismissed any previous doubts about its popularity. Once thought of as being only for intellectuals, many different people were members of Chess Club.

Mr. Jack Watkins was the advisor for the first semester and Mr. Howell took over for the second. There were three separate chess clubs, groups A, B, and C, with different members in each one. The groups A and B were for advanced players and C was for beginners. The advanced players learned some new game strategies as well as participating in round-robin tournaments. The beginners learned how to set up the chessmen on the board and how to move the various pieces. Mr. Watkins commented, "I enjoyed being Chess Club advisor and I think the players improved as they practiced throughout the year."

MEMORIES

It seems like years since last I saw you,
Since you've gone my life has been so blue.
I miss the touch of your gentle hands.
I miss the long romantic walks on the beach,
Our feet leaving trailing memories in the sand.
These memories I will forever keep.
I must go now if only to return another day.
Until then I leave these flowers on your grave.

FOUR MORE YEARS

"The spirits were high. There were lots of people, and I was very impressed," said Jay Greene, photographer for the yearbook staff. "It was just like a big pep rally," said Dan Proctor, another photographer.

For the first time since President Ronald Reagan was elected in 1980, he visited Parkersburg, West Virginia. People waited over night to get tickets to see the President. Many people couldn't get in, but they stood outside the P.H.S. Fieldhouse and listened to what the President had to say. Some of the people outside were even supporters of Mondale.

The President's speech was approximately 45 minutes long. He talked about Mondale's plans and then he said what his plans were.

During the talk, everyone was given flags and posters. The security guards were very strict. They kept a close eye on everybody. They checked Jay's, Dan's, and Keith Kemp's photography bags throughly.

During the speech, President Reagan was presented with a Mountaineer hat. After this, the crowd chanted "four more years." And he replied by saying, "You've talked me into it."

The Puppet

I dance to their music,
I dance to their beat,
I feel like a puppet,
With strings on my feet.

I'm tired of pleasing
and acting their way,
I'll put down these strings
and then walk away.

I know it will be hard
but that's the way it will be
I have to find someone
Who like me for me.

Inside every Panasonic Plain Paper Copier is something no other copier has . . . our reputation.

During Drug and Alcohol Awareness Week the Teens Need Teens (TNT) organization at Warren sponsored several activities. All were supposed to make the students more aware of the problem of alcohol and drug abuse, and to hopefully discourage them from becoming involved with either. During one program **(ABOVE)** students who had been abusers spoke to the classes and answered their questions.

Congratulations Class of 1985

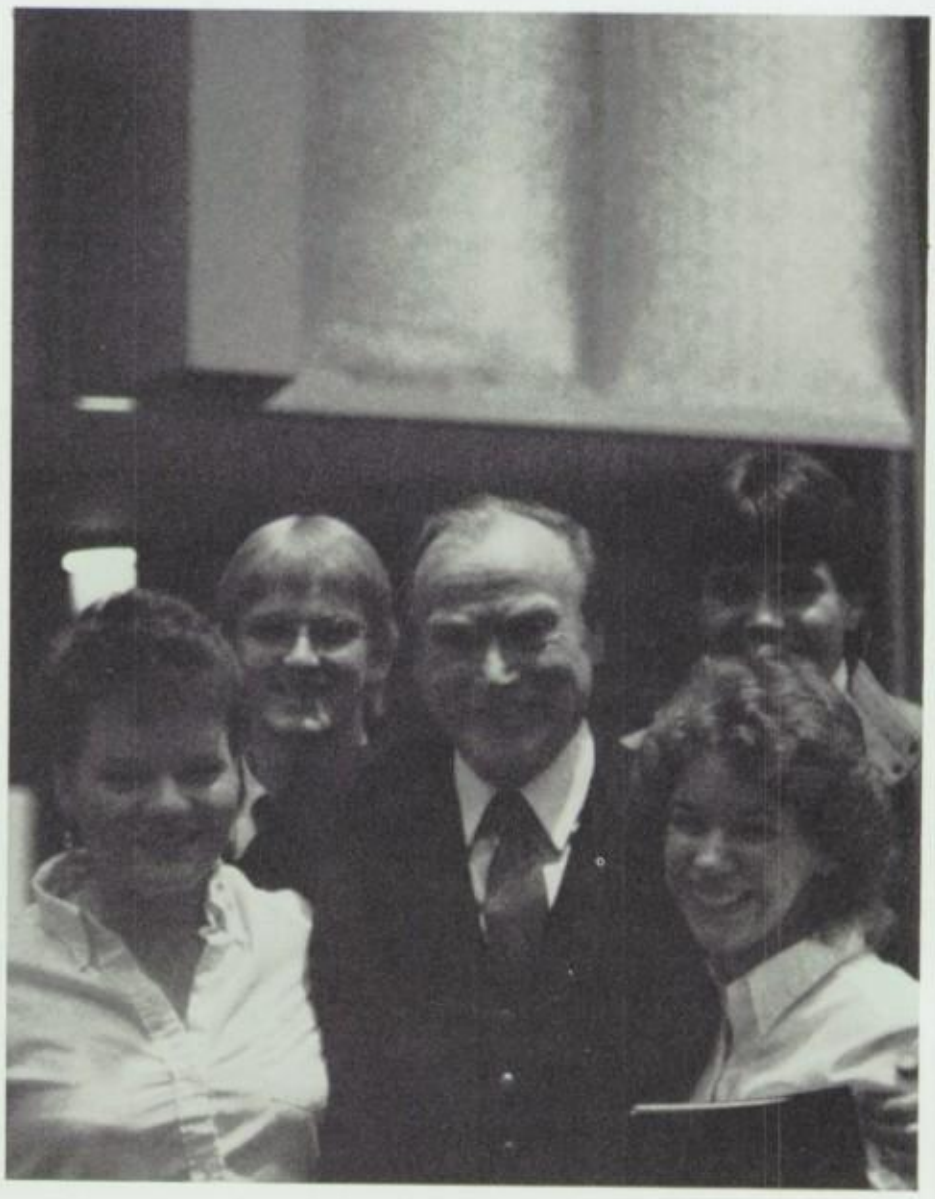
MUSIC ABILITY SHINES

Being a member of the All-State Choir is a big achievement, and Warren High School was honored in having five students chosen. Scott Wilson, Jeanna Marie Hoyt, Missy Owens, Matt Morris, and Wendy Michaelis were privledged to be among the other two hundred and sixteen members. Seven hundred and fifty tried out, but it was soon narrowed down to about one third that number for the final group.

On Thursday February 7, the choir met all together for the first time in Cleveland. They registered, got their music, and met their host family. They practiced at the Stouffers Inn on the Square for several hours for three days. On the last day in Cleveland they performed for the Ohio Music Education Association (OMEA). "It's a once in a life time experience and I think I came back with a better appreciation of music," said Jeanna Marie Hoyt a soprano in the choir. All members of the All-State Choir were invited to tour Europe during the summer with the national choir.



Standing with the conductor of the All-State Choir are Jeanna Marie Hoyt, Scott Wilson, Missy Owens, and Matt Morris.
The choir performed for over 3000 people at the O.M.E.A. convention. The performance consisted of eleven songs and was very well received.

Memories

Memories take us back
through the years . . .
Through the laughter and
through the tears . . .
The time has come to say
good-bye,
As we smile through
the tear-filled eyes . . .
It's been a long hard
road,
but we haven't walked
alone,
We have had the help of
teachers and parents,
But now we must strike
out on our own.
We know not what the
future holds,
But we face it strong and
bold.

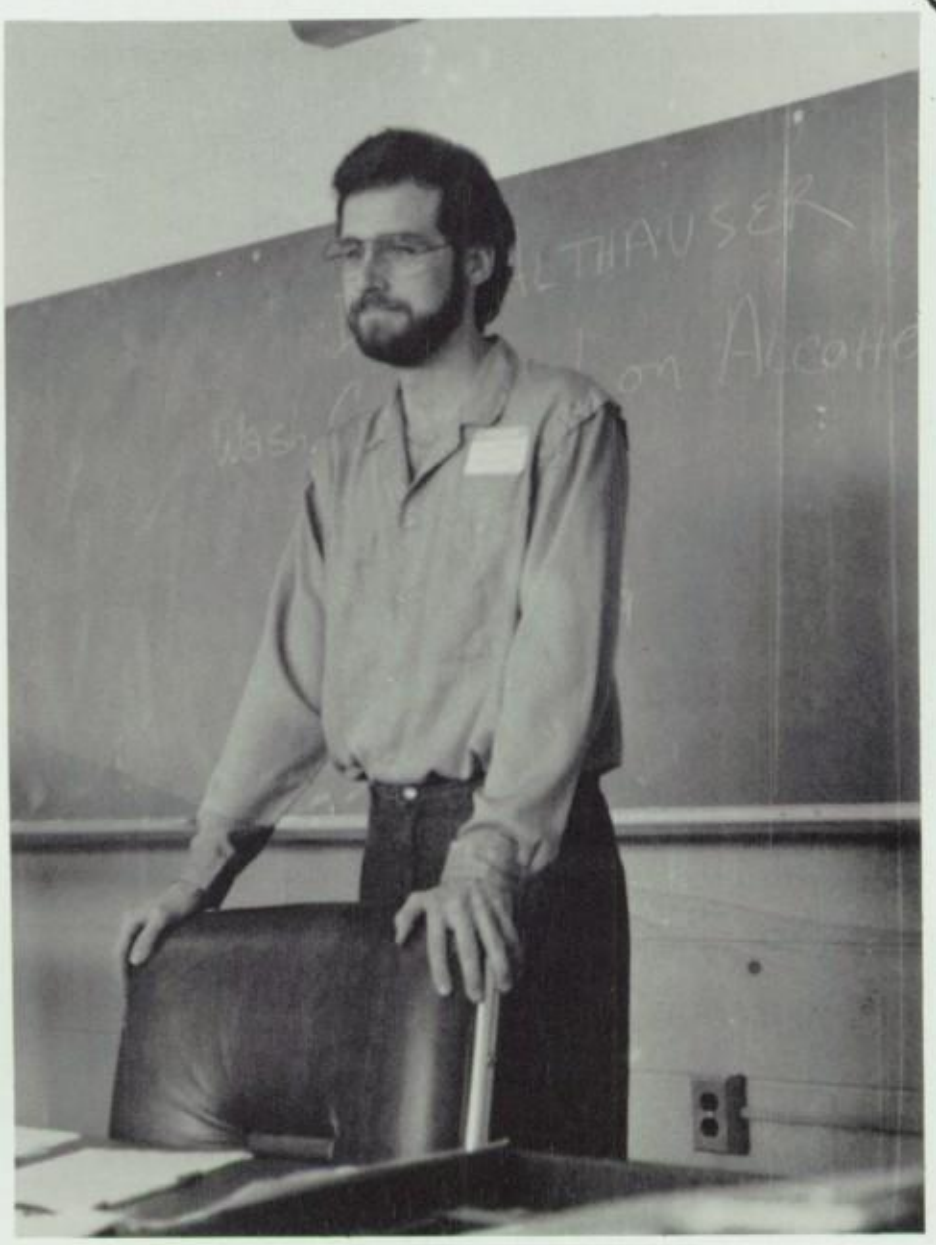
CAREER DAY

areer Day was again a feature of the school year. In Spring a survey was taken of the students of what eers they were interested in, and the guidance de- ment arranged for speakers to come for a Career . Twenty-eight people who specialized in many dif- nt fields spoke to students for one hour. During sec- , third, and fourth periods students chose the careers were most interested in and attended those ses- s. The lectures and question and answer periods ch followed gave students a more indepth knowl- e of the requirements and duties of the various occu- ons. Also students got an idea of the advantages disadvantages of the careers they were considering themselves.



"One of the best parts of Career Day was listening to Mel Samples **(LEFT)** talk about his photography techniques," said Rick Wentz, a sophomore participant.

Speaking on being a psychologist was Doug Althuauser **(ABOVE),** who emphasized the treatment of people for drug abuse and alcohol abuse.

BARNEY

Barney was a loyal fan and attended many functions at Warren high school. It was not unusual to see Barney gossiping with some kids in study hall or casually walking down the halls. He was most everybody's friend and his death was a tragedy to all who knew him. Though his smell was not a pleasant one, he will be remembered by all who knew him at Warren high school as a student's best friend.

Life Is Like A Book

Life is like a book
each day is like a new page,
We never know what tomorrow
will bring,
or what will happen at the end
of a chapter.
It has its adventures
its times of sorrow and pain.
We can look back, and see what
we've read,
but life goes on, and fills up

BON VOYAGE

Twenty-five very excited French students departed from Pittsburgh April 20, 1985. After a quick flight to New York, the group embarked upon what was to be one of the most exciting weeks of their lives. Although the transatlantic flight to Geneva, Switzerland proved to be tedious, the knowledge of what awaited the travelers kept them going.

The group arrived in Geneva the next morning and was met by their guide. An exciting tour of the international city of Geneva took up most of the morning, and the students were given the lunch hour to do shopping, stroll along the shores of Lake Geneva, or pass the time drinking "cafe au lait" at one of the many cafes.

From Geneva, they went on to Lausanne where they stayed the night. The next stop on the travelers itinerary was Nice. Picturesque villages, an unexpected side trip to Northern Italy, and breathtaking views of the Swiss Alps were all along the route to Nice. Upon leaving Switzerland the group traveled south through the Alps to the ski village of Chamonix, France. The crystal clear atmosphere and the spectacular scenery of this tiny alpine village resort enchanted everyone. The group then crossed the border and entered Italy. After lunch in a small Italian city, the afternoon ended with a fantastic drive through Italy's Aosta Valley, and along the Mediterranean to Nice, France.

The next two nights were spent in Nice, the "Queen of the French Riviera." While in Nice, the group enjoyed a visit to the flower market, the small boutiques and malls, and a tour of the Old City with its narrow winding streets. Although it was too cold for a swim, the students enjoyed a walk along the rocky shores of the Mediterranean. Side trips were taken to the hilltop town of Eze (famous for its perfume factories), to Monaco and the dazzling pink palace of Monaco, and to Monte Carlo, famous for its glittering casinos.

The next two days were spent touring the south of France. Stops were made at Aux-en-Provence, Pont du Gard, Cannes, and Avignon. At Avignon the group took an overnight train to Paris. The train arrived in Paris early Friday morning. After breakfast at a small cafe, the group spent the morning touring the "City of Lights." They saw the Eiffel Tower, Arch de Triumph, the Opera, and the Cathedral of Norte Dame. The afternoon was free for shopping or strolling along the Seine. The last day in Paris began with a trip to Versaille with its eleborate gardens and Hall of Mirrors. After lunch the afternoon was spent doing last minute shopping or sight seeing. For the last evening in Paris, some of the students took advantage of the night tour offered by the guide. The next morning the students boarded their plane with their baggage full of presents, candy, clothes, perfumes, and memories that would last a life time.

Most of the students took a trip to the top of the Eiffel Tower **(ABOVE).**
Taking in the sights of Geneva **(BELOW)** are sophomores Jeff Hopkins, Jamie Pinkerton, and Tona Hunter.

"Bon jour," says Bret Hardman. Everyone brought back momentos from France; everything from perfume to berets **(LEFT).**
On the long trip from Geneva to Nice, Stacey Vore **(ABOVE)** catches forty winks.
Posing on the steps of a park in Switzerland **(BOTTOM LEFT)** are Mike Ferrell, Chris Neptune, Heather Surface, Dean Smith, Mikki Miller, and Stacey Vore.

Homecoming can be a very special night for all students, but for the Freshman Attendent on the Queen's Court it can be extra special. Ricci Adelsperger **(TOP LEFT)** was a very pretty representative of the freshman class as she was escorted onto the field by her father and classmate Chris Guinther.

Spring brought warm weather and all students wished to dress for it. Shorts were not normally allowed, but what may prove to be a new tradition found students sporting shorts on May 24th which was designated Shorts Day by Mr. Young. Chris Kern **(LEFT)** took the 'prize' for the craziest pair with his fake fur outfit shown here.

Teamwork

Front Row — Robin Burke, Cheryl Heldman, Tia Worstell, Angie Wentz, Lisa Miller, Lisa Patton
Back Row — Coach Greg Heldman, Melody Walker, Kelly Heldman, Jenny Kuroski, Stephanie Karcher, Misty Reynolds, Kim Gerber, Tina Dalton, Coach Jim Kuroski.

The S & S Express softball team knew the meaning of the word teamwork. The thirteen girls from Marietta, Waterford, and Warren were the 1984 Ohio State Softball Champions. They competed against thirty-four other teams from all over the United States, last summer at nationals in Idaho. Hard work helped them earn the eight thousand dollars the week-long trip required. Exchanging good lucks with their family and friends, the busload left Marietta on August 13, 1984. The girls looked forward to a memorable experience. After arriving, the team played twice before being cut. All the team members agreed that they owed their success to their two great coaches, Greg Heldman and Jim Kuroski.

The walk in the hall is often the only time sor
friends have to share together. Scott Britton and Ste
Boswell **(TOP RIGHT)** talks as they hurry to class.

Another good place for social gatherings is the cafeteria
lunchtime. Teresa Talbot, Jennifer Whealdon, Tina Proctor and Lon
Myers catch up on the gossip while they wait in line **(ABOVE).**

With a little help from her friends Micki Keller **(OPPOSITE PAGE, TOP)** get h
